The bylaws of a relief association which provides a monthly benefit service pension may provide that one of the six trustees elected from the relief association membership may be a retired member receiving a monthly pension who is elected by the membership of the relief association. The three municipal trustees must be one elected municipal official and one elected or appointed municipal official who are designated as municipal representatives by the municipal governing board annually and the chief of the municipal fire department.

The bylaws of a relief association may provide that one of the six trustees elected from the relief association membership may be a retired member receiving a monthly pension who is elected by the membership of the relief association. The two municipal trustees must be elected or appointed municipal officials, selected as follows:

These officers must be elected from among the elected trustees by either the full board of trustees or by the relief association membership, as specified in the bylaws. In no event may any trustee hold more than one officer position at any one time. The terms of the elected trustees and of the officers of the board must be specified in the bylaws of the relief association, but may not exceed three years. If the term of the elected trustees
