Subdivision 1. **Purpose.** It is the purpose and policy of the state of Minnesota to:

(1) enter into interstate agreements with agencies of other states to safeguard and protect the interests of children covered by an adoption assistance agreement when they are adopted across state lines or move to another state after adoption finalization; and

(2) provide a framework for uniformity and consistency in administrative procedures when a child with special needs is adopted by a family in another state and for children adopted in Minnesota who move to another state.

(4) a requirement that each instance of adoption assistance to which the compact applies be covered by an adoption assistance agreement in writing between the adoptive parent and the state child welfare agency of the state that provides the adoption assistance, and that the agreement be expressly for the benefit of the adopted child and enforceable by the adoptive parent and the state agency providing the adoption assistance; and

(5) other provisions necessary and appropriate for the proper administration of the compact.

(b) A compact may contain provisions establishing requirements and entitlements to medical, developmental, child care, or other social services for the child under state law, even though the child and the adoptive parent are in a state other than the one responsible for or providing the services or funds to pay part or all of the costs.
