MINNESOTA STATUTES 2022

TABLE I. 1849-2022 LOCAL SPECIAL ACTS

Laws relating to particular local government units or local courts enacted from 1849 to 2022, and not coded in Minnesota Statutes are shown in this table. Many laws have been superseded by later general or special laws.

NOTE: This table does not show whether a local unit of government ever approved a local law for which local approval was required. Approval of a local law is filed by the local unit of government with the Office of the Secretary of State, which keeps the official records. To determine if a local unit of government approved a local law, consult Tables 4, 5, and 6 of Laws of Minnesota for the year the law was enacted and subsequent years. If the law is not approved before the beginning of the next legislative session in an odd-numbered year, the law is deemed to be disapproved unless otherwise provided by a special law.
