

342.60 APPLIED RESEARCH.

The Division of Medical Cannabis may conduct, or award grants to health care providers or research organizations to conduct, applied research on the safety and efficacy of using medical cannabis flower or medical cannabinoid products to treat a specific health condition. A health care provider or research organization receiving a grant under this section must provide the office with access to all data collected in applied research funded under this section. The office may use data from applied research conducted or funded under this section as evidence to approve additional qualifying medical conditions or additional allowable forms of medical cannabis.
