(2) concerns related to victim safety during the committed individual's term of imprisonment; or

(3) requests for imposing victim safety protocols as additional conditions of imprisonment or supervised release.

(b) The commissioner must consider all victim input statements when developing an individualized rehabilitation plan and establishing conditions governing confinement or release.

Subd. 4. **Transition and release plan.** For an incarcerated person with less than 365 days remaining until the person's supervised release date, the commissioner, in consultation with the incarcerated person, must develop a transition and release plan.

Subd. 5. **Scope of act.** This act is separate and distinct from other legislatively authorized release programs, including the challenge incarceration program, work release, conditional medical release, or the program for the conditional release of nonviolent controlled substance offenders.
