

97C.811 COMMERCIAL FISHING IN INLAND WATERS.

Subdivision 1. **Inland waters defined.** For the purposes of this section and section 97A.475, subdivision 30, "inland waters" means all waters entirely located within the boundaries of the state and the border waters between Minnesota and North Dakota, South Dakota and Iowa, excluding those waters described in section 97C.801.

Nonresidents may only be licensed to fish waters not previously assigned to residents. In the license application the applicant must list the number of feet of seine of each depth to be licensed.

These notices must allow interested persons 30 days to notify the commissioner of their interest in the assigned area. Within 60 days after publishing notice, the commissioner shall review the qualifications of all interested persons and approve or deny the transfer based on the criteria in section 97C.815, subdivision 2.
