- (5) proposals to coordinate technical assistance with financial assistance;
- (6) a demonstration of ability to collaborate with other agencies including educational and financial institutions; and
- (7) project goals identifying the number of eligible businesses to be assisted with the state funds awarded under the grant.

Subd. 3. **Grant evaluations.** Grant recipients must report to the commissioner by February 1 in each of the two years succeeding the year of receipt of the grant. The report must detail the number of customers served, the number of businesses started, stabilized, or expanded, the number of jobs created and retained, and business success rates. The commissioner shall report to the legislature on the microenterprise entrepreneurial assistance. The report shall contain an evaluation of the results, recommendations to continue or change the program, and a suggested level of funding.
