

**122A.29 TEACHERS OF BLIND AND VISUALLY IMPAIRED STUDENTS; LICENSURE REQUIREMENTS.**

Teachers licensed in the education of blind and visually impaired students must demonstrate competence in reading and writing Braille. The Professional Educator Licensing and Standards Board, at such time as a valid and reliable test is available, shall adopt a rule to assess these competencies that is consistent with the standards of the National Library Services for the Blind and Physically Handicapped.

**History:** 1996 c 412 art 9 s 9; 1998 c 397 art 8 s 101; 1Sp2017 c 5 art 3 s 23
