Subd. 2. **Documented technical assistance.** (a) In lieu of a correction order under section 142B.16, the commissioner shall provide documented technical assistance to a family child care or child care center license holder if the commissioner finds that:

(3) the license holder did not receive documented technical assistance or a correction order for the same violation at the license holder's most recent annual licensing inspection.

(b) Documented technical assistance must include communication from the commissioner to the license holder that:
