Subd. 3. **Requirements.** (a) As a condition of payment under this section, a program must:

(1) complete an application developed by the commissioner for each payment period for which the program applies for funding;

(2) submit data on child enrollment and attendance to the commissioner in the form and manner specified by the commissioner; and

(3) attest and agree in writing that the program was open and operating and served a minimum number of children, as determined by the commissioner, during the funding period, with the exceptions of:

(i) service disruptions that are necessary to protect the safety and health of children and child care programs based on public health guidance issued by the Centers for Disease Control and Prevention, the commissioner of health, the commissioner of children, youth, and families, or a local public health agency; and

(ii) planned temporary closures for provider vacation and holidays during each payment period. The commissioner must establish the maximum allowed duration for vacations and holidays.

(b) A program must expend money received under this section no later than six months after the date the payment was received.

(c) A program that receives a payment under this section must comply with all requirements listed in the application. The commissioner must establish methods to determine that the application requirements have been met.

Subd. 4. Record retention. (a) A program that receives a payment under this section must keep accurate and legible records of the following:

(1) use of money;

(2) staff employment, compensation, and benefits, which must include time sheets or other records of daily hours worked; documentation of compensation and benefits; documentation of written changes to employees' rate or rates of pay and basis thereof as a result of payments received under this section, as required under section 181.032, paragraphs (d) to (f); and any other records required to be maintained under section 177.30; and

(c) Records identified in paragraph (a) must be retained at the site where services are delivered for six years after the date of receipt of payment and must be made immediately available to the commissioner upon request. Any records not provided to the commissioner at the date and time of request are deemed inadmissible if offered as evidence by a program in any proceeding to contest an overpayment or disqualification of the program.

Subd. 5. Enforcement. A program that receives a payment under this section that fails to meet the requirements of this section is subject to discontinuation of future installment payments, recovery of overpayments, and actions under sections 142E.51 to 142E.58. Subd. 6. Payments. (a) The commissioner shall provide payments under this section to all eligible programs on a noncompetitive basis. The payment amounts shall be based on the number of full-time equivalent staff who regularly care for children in the program, including any employees, sole proprietors, or independent contractors.

(b) For purposes of this section, "one full-time equivalent" is defined as an individual caring for children 32 hours per week. An individual can count as more or less than one full-time equivalent staff, but as no more than two full-time equivalent staff.
