

219.16 GRADE CROSSING DEFINED.

The term "grade crossing" as used in this chapter means the intersection of a public highway and the tracks of a railroad, however operated, on the same plane or level, except street railways within city limits.

History: (4743-1) 1925 c 336 s 1; 1973 c 123 art 5 s 7; 1985 c 265 art 4 s 1
