

268.211 UNEMPLOYMENT INSURANCE BENEFITS TELEPHONE SYSTEM.

The commissioner must ensure that any automated telephone system used for unemployment insurance benefits provides an option for any caller to speak to an unemployment insurance specialist. An individual who calls any of the publicized telephone numbers seeking information about applying for unemployment benefits or on the status of a benefit account must have the option to speak on the telephone to a specialist who can provide direct assistance or can direct the caller to the individual or office that is able to respond to the caller's needs.
