290C.055 LENGTH OF COVENANT.

- (a) Claimants enrolling any land that is subject to a conservation easement funded under section 97A.056 or a comparable permanent easement conveyed to a governmental or nonprofit entity must enroll their land under a covenant with a minimum duration of eight years. All other claimants may choose to enroll their land under a covenant with a minimum duration of eight, 20, or 50 years. If the claimant requests removal of land from the program before it has been enrolled for one-half the number of years of the covenant's duration, the covenant remains in effect for the entire duration of the covenant from the date recorded.
- (b) If land that has been enrolled for one-half the number of years of the covenant's minimum duration or more is removed from the program for any reason, there is a waiting period before the covenant terminates. The covenant terminates on January 1 of the fifth, 11th, or 26th calendar year for the eight-, 20-, or 50-year minimum covenant, respectively, that begins after the date that:
- (1) the commissioner receives notification from the claimant that the claimant wishes to remove the land from the program under section 290C.10; or
 - (2) the date that the land is removed from the program under section 290C.11.
 - (c) Notwithstanding the other provisions of this section, the covenant is terminated:
- (1) at the same time that the land is removed from the program due to acquisition of title or possession for a public purpose under section 290C.10; or
- (2) at the request of the claimant (i) if there is a reduction in payments due to changes in the payment formula under section 290C.07; or (ii) if, as a result of executive action, the amount of payment a claimant is eligible to receive under section 290C.07 is reduced or limited.
