**336.8-206** MS 1994 [Repealed, 1995 c 194 art 1 s 53]

## 336.8-206 COMPLETION OR ALTERATION OF SECURITY CERTIFICATE.

- (a) If a security certificate contains the signatures necessary to its issue or transfer but is incomplete in any other respect:
  - (1) any person may complete it by filling in the blanks as authorized; and
- (2) even if the blanks are incorrectly filled in, the security certificate as completed is enforceable by a purchaser who took it for value and without notice of the incorrectness.
- (b) A complete security certificate that has been improperly altered, even if fraudulently, remains enforceable, but only according to its original terms.
