**336.9-105 CONTROL OF ELECTRONIC COPY OF RECORD EVIDENCING CHATTEL PAPER.**

(a) **General rule: control of electronic copy of record evidencing chattel paper.** A purchaser has control of an authoritative electronic copy of a record evidencing chattel paper if a system employed for evidencing the assignment of interests in the chattel paper reliably establishes the purchaser as the person to which the authoritative electronic copy was assigned.

(b) **Single authoritative copy.** A system satisfies subsection (a) if the record or records evidencing the chattel paper are created, stored, and assigned in a manner that:

(1) a single authoritative copy of the record or records exists which is unique, identifiable, and, except as otherwise provided in paragraphs (4), (5), and (6), unalterable;

(2) the authoritative copy identifies the purchaser as the assignee of the record or records;

(3) the authoritative copy is communicated to and maintained by the purchaser or its designated custodian;

(4) copies or amendments that add or change an identified assignee of the authoritative copy can be made only with the consent of the purchaser;

(5) each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and

(6) any amendment of the authoritative copy is readily identifiable as authorized or unauthorized.

(c) **One or more authoritative copies.** A system satisfies subsection (a), and a purchaser has control of an authoritative electronic copy of a record evidencing chattel paper, if the electronic copy, a record attached to or logically associated with the electronic copy, or a system in which the electronic copy is recorded:

(1) enables the purchaser readily to identify each electronic copy as either an authoritative copy or a nonauthoritative copy;

(2) enables the purchaser readily to identify itself in any way, including by name, identifying number, cryptographic key, office, or account number, as the assignee of the authoritative electronic copy; and

(3) gives the purchaser exclusive power, subject to subsection (d), to:

(A) prevent others from adding or changing an identified assignee of the authoritative electronic copy; and

(B) transfer control of the authoritative electronic copy.

(d) **Meaning of exclusive.** Subject to subsection (e), a power is exclusive under subsection (c)(3)(A) and (B) even if:

(1) the authoritative electronic copy, a record attached to or logically associated with the authoritative electronic copy, or a system in which the authoritative electronic copy is recorded limits the use of the authoritative electronic copy or has a protocol programmed to cause a change, including a transfer or loss of control; or

(2) the power is shared with another person.

(e) **When power not shared with another person.** A power of a purchaser is not shared with another person under subsection (d)(2) and the purchaser's power is not exclusive if:

- (1) the purchaser can exercise the power only if the power also is exercised by the other person; and
- (2) the other person:
  - (A) can exercise the power without exercise of the power by the purchaser; or
  - (B) is the transferor to the purchaser of an interest in the chattel paper.

(f) **Presumption of exclusivity of certain powers.** If a purchaser has the powers specified in subsection (c)(3)(A) and (B), the powers are presumed to be exclusive.

(g) **Obtaining control through another person.** A purchaser has control of an authoritative electronic copy of a record evidencing chattel paper if another person, other than the transferor to the purchaser of an interest in the chattel paper:

- (1) has control of the authoritative electronic copy and acknowledges that it has control on behalf of the purchaser; or
- (2) obtains control of the authoritative electronic copy after having acknowledged that it will obtain control of the electronic copy on behalf of the purchaser.
