10.59 DR. NORMAN E. BORLAUG WORLD FOOD PRIZE DAY.

October 16 is designated as Dr. Norman E. Borlaug World Food Prize Day, in honor of the heroic contributions to humanity of Nobel Peace Prize laureate Dr. Norman E. Borlaug, whose work in agriculture has resulted in saving millions of human lives by averting famine and alleviating hunger and malnutrition. The governor may take any action necessary to promote and encourage the observance of Dr. Norman E. Borlaug World Food Prize Day and public schools may offer instruction and programs on the occasion.
