13.861 SECURITY SERVICE DATA.

Subdivision 1. **Definitions.** As used in this section:

(a) "Security service" means an organization that provides security services to a government entity as a part of that entity or under contract to it. Security service does not include a law enforcement agency.

(b) "Security service data" means all data collected, created, or maintained by a security service for the purpose of providing security services.

Subd. 2. **Classification.** Security service data that are similar to the data described as request for service data and response or incident data in section 13.82, subdivisions 3 and 6, are public. If personnel of a security service make a citizen's arrest, then any security service data that are similar to the data described as arrest data in section 13.82, subdivision 2, are public. If a security service participates in but does not make an arrest it shall, upon request, provide data that identify the arresting law enforcement agency. All other security service data are security information pursuant to section 13.37.
