35.90 GENERAL INSPECTION AUTHORITY.

Subdivision 1. **Access and entry.** Except as otherwise specifically provided, the Board of Animal Health and the board's agents, upon issuance of a notice of inspection, must be granted access at reasonable times to sites where the board has reason to believe a violation of this chapter is occurring or has occurred.

Subd. 2. **Notice of inspection samples and analyses.** Before leaving the premises inspected, the Board of Animal Health or the board's agents must provide the owner, operator, or agent in charge with a receipt describing any samples obtained. If an analysis is made of the samples, a copy of the results of the analysis must be furnished to the owner, operator, or agent in charge.
