62J.40 COST CONTAINMENT DATA FROM STATE AGENCIES AND OTHER GOVERNMENTAL UNITS.

(a) All state departments or agencies that administer one or more health care programs shall provide to the commissioner of health any additional data on the health care programs they administer that is requested by the commissioner of health, including data in unaggregated form, for purposes of developing estimates of spending, setting spending limits, and monitoring actual spending. The data must be provided at the times and in the form specified by the commissioner of health.

(b) For purposes of estimating total health care spending as provided in section 62J.301, subdivision 4, clause (c), all local governmental units shall provide expenditure data to the commissioner. The commissioner shall consult with representatives of the affected local government units in establishing definitions, reporting formats, and reporting time frames. As much as possible, the data shall be collected in a manner that ensures that the data collected is consistent with data collected from the private sector and minimizes the reporting burden to local government.

(c) A state agency that purchases health care services, provides oversight over health insurance rates, collects taxes imposed under section 295.52, or regulates health care entities must provide to the commissioner nonpublic data the commissioner requests to satisfy statutory duties under sections 62J.301 to 62J.461, 62J.84, 62J.87, 62U.01 to 62U.10, 144.70, 145D.01, and 145D.02, with respect to monitoring the health care market, including but not limited to consolidation, transaction, corporate structure, utilization, quality, spending growth, and prescription drug supply chains.

(d) The commissioner may request unique or custom data sets from a state agency in a request under paragraph (c). The state agency may charge the commissioner a fee to provide data sets under paragraph (c) at the same rate the state agency charges another public or private entity for the same data.

(e) Data provided to the commissioner under paragraph (c) retains the data's original classification under chapter 13. Data provided to the commissioner under paragraph (c) may be included in public reports if the data are aggregated and deidentified.
