65B.10 ELIGIBILITY.

Subdivision 1. **Eligibility for coverage.** To be eligible for coverage through the facility an otherwise qualified applicant must have been rejected, canceled or refused renewal with respect to automobile insurance by a member.

Subd. 2. **Termination of eligibility.** Eligibility for placement through the facility will terminate if an insured is offered equivalent coverage in the voluntary market at a rate lower than the facility rate.

Subd. 3. **Review of insureds.** At least annually, every member shall review every private passenger nonfleet applicant which it insures through the facility and determine whether or not such applicant is acceptable for voluntary insurance at a rate lower than the facility rate. If such applicant is acceptable, the member shall make an offer to insure the applicant under voluntary coverage at such lower rate.
