85.50 DEFINITION.

For purposes of sections 85.50 to 85.52, "central Minnesota regional parks and trails plan" or "plan" means a recreational park and trail plan in the counties of Stearns, Benton, and Sherburne that includes, at a minimum, existing regionally significant parks and trails that are identified in the plan under a local unit of government jurisdiction and includes newly developed parks and trails or trail connections to communities, parks, or public open space.
