89.72 COUNTY FOREST ACCESS ROAD ACCOUNT.

There is created in the state treasury a county forest access road account in the special revenue fund, consisting of money credited under section 296A.18, subdivision 7. Money in the county forest access road account is appropriated to the commissioner for distribution to counties managing forest lands administered through a county land department under the jurisdiction of a land commissioner appointed under section 282.13. The payments must be made by July 15 and January 15 of each year through the commissioner and in proportion to each county's ownership of commercial forest lands, for purposes of constructing, reconstructing, acquiring, and maintaining county management access roads, including the acquisition of rights-of-way or easements as may be needed.
