97A.127 FINANCING WATERFOWL DEVELOPMENT.

The commissioner may use funds appropriated for fish and wildlife programs for the purpose of developing, preserving, restoring, and maintaining waterfowl breeding grounds in Canada under agreement or contract with any nonprofit organization dedicated to the construction, maintenance, and repair of projects that are acceptable to the governmental agency having jurisdiction over the land and water affected by the projects. The commissioner may execute agreements and contracts if the commissioner determines that use of the funds will benefit the migration of waterfowl into the state.
