103G.211 DRAINING PUBLIC WATERS PROHIBITED WITHOUT REPLACEMENT.

Except as provided in sections 103G.221 to 103G.235, public waters may not be drained, and a permit authorizing drainage of public waters may not be issued, unless the public waters to be drained are replaced by public waters that will have equal or greater public value.

History: *1990 c 391 art 7 s 15*
