115A.192 REQUEST FOR PROPOSALS; STABILIZATION AND CONTAINMENT FACILITY.

Subdivision 1. **Request for proposals.** The commissioner shall issue requests for proposals for the development and operation of a stabilization and containment facility. The request must be designed to obtain detailed information about the qualifications of a respondent to develop and operate the facility; the capital and operating costs of the facility and the sources and methods by which the respondent plans to finance the facility; the technical specifications of the proposed facility and the technologies to be employed for processing, stabilization, containment, and monitoring; the requirements of the site for the proposed facility; the schedule for developing and commencing operation of the facility; and other matters which the commissioner deems necessary for the agency to evaluate and select a developer and operator for the facility. Before issuing the requests, the commissioner shall prepare a draft of clauses (1) to (5) of the report required by section 115A.193, paragraph (a). The draft must accompany the requests for proposals.

Subd. 2. **Selection of developer; procedure.** After evaluating responses to the request for proposals and before selecting a site as provided in section 115A.194, the agency shall decide whether to select a developer for a stabilization and containment facility. If the agency selects a developer it shall proceed as provided in section 115A.194 to select a site for the development of a facility. If the agency decides not to select a developer, the agency shall proceed as provided in section 115A.194 to select and acquire a site for potential future development of a facility.
