115A.95 RECYCLABLE MATERIALS.

(a) Recyclable materials must be delivered to the appropriate materials processing facility as outlined in rules of the agency or any other facility permitted to recycle or compost the materials.

(b) A disposal facility or a resource recovery facility that is composting mixed municipal solid waste, burning waste, or converting waste to energy or to materials for combustion may not accept source-separated recyclable materials, and a solid waste collector or transporter may not deliver source-separated recyclable materials to such a facility, except for recycling or transfer to a recycler, unless the commissioner determines that no other person is willing to accept the recyclable materials.
