116.735 TRAINING AND CERTIFICATION.

(a) The agency shall develop standards of competence for persons who engage in activities relating to products that may contain CFCs, as described in section 116.731, subdivisions 1 to 4, and the commissioner may conduct training programs for these persons. The persons shall obtain from the commissioner a certificate of competence or equivalent federal certification that has been approved by the commissioner.

(b) The agency may adopt rules to implement this section.
