125A.14 EXTENDED SCHOOL YEAR.

A district may provide extended school year services for children with a disability living within the district and nonresident children temporarily placed in the district pursuant to section 125A.15. Prior to March 31 or 30 days after the child with a disability is placed in the district, whichever is later, the providing district shall give notice to the district of residence of any nonresident children temporarily placed in the district pursuant to section 125A.15 of its intention to provide these programs. Notwithstanding any contrary provisions in section 125A.15, the district providing the special instruction and services must apply for special education aid for the extended school year services. The unreimbursed actual cost of providing the program for nonresident children with a disability, including the cost of board and lodging, may be billed to the district of the child's residence and must be paid by the resident district. Transportation costs must be paid by the district responsible for providing transportation pursuant to section 125A.15 and transportation aid must be paid to that district.
