125A.155 SPECIAL EDUCATION RECIPROCITY; COMMISSIONER DUTIES.

The commissioner of education must develop a special education reciprocity agreement form. The reciprocity form must specify the procedures used to calculate special education tuition charges for both Minnesota students that are served in other states and for out-of-state students who are served in Minnesota. The commissioner shall attempt to enter into reciprocity agreements with any state that sends students to Minnesota and any state that provides services to Minnesota students.
