135A.01 FUNDING POLICY.

It is the policy of the legislature to provide stable funding for public postsecondary institutions and that the state and students share the cost of public postsecondary education. The legislature intends to provide at least 67 percent of the combined revenue from tuition, the university fee at the University of Minnesota, and state general fund appropriations to public postsecondary institutions. It is also the policy of the legislature that the budgetary process serves to support high quality public postsecondary education.
