137.61 PURPOSE.

Sections 137.61 to 137.65 provide for a biomedical science research funding program to further the investment in biomedical science research facilities in Minnesota to benefit the state's economy, advance the biomedical technology industry, benefit human health, and facilitate research collaboration between the University of Minnesota and other private and public institutions in this state. Sections 137.61 to 137.65 also provide funding for design, land acquisition, site preparation, and preconstruction services for the new clinical research facility on the University of Minnesota's Twin Cities campus.
