148B.5925 ASSESSMENT TOOL SECURITY.

Notwithstanding section 144.292, subdivisions 2 and 5, a provider shall not be required to provide copies of assessment tools, assessment tool materials, or scoring keys to any individual who has completed an assessment tool or to an individual not qualified to administer, score, and interpret the assessment tool, if the provider reasonably determines that access would compromise the objectivity, fairness, or integrity of the testing process for the individual or others. If the provider makes this determination, the provider shall, at the discretion of the individual who has completed the assessment tool, release the information either to another provider who is qualified to administer, score, and interpret the assessment tool or furnish a summary of the assessment tool results to the individual or to a third party designated by the individual.
