238.11 CENSORSHIP PROHIBITED.

Subdivision 1. [Repealed, 1985 c 285 s 54]

Subd. 2. **Access channel.** No cable communications system may prohibit or limit a program or class or type of program presented over a leased channel or a channel made available for public access, governmental or educational purposes. Neither the person operating a cable communications system nor the officers, directors, or employees of the cable communications system is liable for any penalties or damages arising from programming content not originating from or produced by the cable communications system and shown on any public access channel, education access channel, government access channel, leased access channel, or regional channel.
