237.54 TELECOMMUNICATIONS RELAY SERVICES (TRS).

Subdivision 1. [Repealed, 1995 c 190 s 17]

Subd. 2. **Operation.** (a) The commissioner of commerce shall contract with one or more qualified vendors for the provision of Telecommunications Relay Services (TRS).

(b) The TRS providers shall operate the relay service within the state of Minnesota. The TRS providers shall comply with all current and subsequent Federal Communications Commission regulations at Code of Federal Regulations, title 47, sections 64.601 to 64.606, and shall inform persons who have communication disabilities and the public of the availability and use of TRS.
