246.591 ACTIVE PSYCHIATRIC TREATMENT.

The state-operated services shall provide active psychiatric treatment according to contemporary professional standards. Treatment must be designed to:

(1) stabilize the individual and the symptoms that required hospital admission;

(2) restore individual functioning to a level permitting return to the community;

(3) strengthen family and community support; and

(4) facilitate discharge, after care, and follow-up as patients return to the community.
