A savings plan known as the Minnesota ABLE plan is established. In establishing this plan, the legislature seeks to encourage and assist individuals and families in saving private funds for the purpose of supporting individuals with disabilities to maintain health, independence, and quality of life, and to provide secure funding for disability-related expenses on behalf of designated beneficiaries with disabilities that will supplement, but not supplant, benefits provided through private insurance, the Medicaid program under title XIX of the Social Security Act, the Supplemental Security Income program under title XVI of the Social Security Act, the beneficiary's employment, and other sources.
