(a) The commissioner may audit and adjust the taxpayer's computation of federal adjusted gross income, federal taxable income, items of federal tax preferences, or federal credit amounts to make them conform with the provisions of chapter 290 or section 298.01. In such cases, the owners' liability must be calculated using the method provided in section 289A.08, subdivision 7, paragraph (b).

(c) A taxpayer may petition the commissioner for the use of the method described in paragraph (b) after the taxpayer is notified that an audit has been initiated and before an order of assessment has been issued.
