## 299F.037 REPORTING FIREFIGHTER DEATHS.

Whenever an active firefighter dies, whether or not the death is presumed to be in the line of duty, the fire chief of the deceased firefighter must report, without undue delay, the death to the state fire marshal. The notification shall identify the cause of death and contain information concerning the circumstances of the death.

**History:** *2015 c 75 art 2 s 44*
