403.05 911 SYSTEM OPERATION AND MAINTENANCE.

Subdivision 1. **Operate and maintain.** Each county or any other governmental agency shall operate and maintain its 911 system to meet the requirements of governmental agencies whose services are available through the 911 system and to permit future expansion or enhancement of the system.

Subd. 2. **Rule requirements for 911 system plans.** Each county or any other governmental agency shall maintain and update its 911 system plans as required under Minnesota Rules, chapter 7580.

Subd. 3. **Agreements for service.** Each county or any other governmental agency shall contract with the state for the recurring and nonrecurring costs associated with operating and maintaining 911 emergency communications systems. If requested by the county or other governmental agency, the county or agency is entitled to be a party to any contract between the state and any wire-line telecommunications service provider or 911 emergency telecommunications service provider providing components of the 911 system within the county.
