424B.03 SUBSEQUENT RELIEF ASSOCIATION.

Subdivision 1. **New relief association.** If the subsequent relief association is a new firefighter relief association, the consolidated firefighter relief association must be incorporated under chapter 317A. The incorporators of the consolidated relief association must include at least one board member of each of the former firefighter relief associations.

Subd. 2. **Successor relief association.** If the subsequent relief association is one of the prior relief associations, the articles of incorporation and bylaws must be appropriately revised, effective on the consolidation effective date, and a revised board of trustees must be elected before the consolidation effective date.
