465.36 DIFFERENT OWNERS OR INTERESTS.

If the land and buildings belong to different persons or if the land be subject to lease, mortgage, or judgment, or if there be any estate less than an estate in fee, the injury or damage done to such person, or interests, respectively, may be awarded to them separately by the appraisers. Neither such award of the appraisers, nor the confirmation thereof by the city council, shall be deemed to require the payment of such damages to the person or persons named in such award, in case it shall transpire that such persons are not entitled to receive the same.
