505.174 SURVEYOR'S CERTIFICATE OF OWN PLAT ERROR; CORRECTION.

In any case where a land plat or subdivision, or what purports to be a land plat or subdivision, has been executed and filed in the office of the county recorder of the county where the land is situated, which fails to identify or correctly describe the land to be so platted or subdivided, or to show correctly upon its face the tract of land intended or purported to be platted or subdivided thereby or is defective by reason of the plat or subdivision and the description of the land purported to be so platted or subdivided thereby being inconsistent or incorrect, the registered surveyor who prepared such plat or subdivision may execute a certificate stating the nature of the error, omission or defect and stating the correct information to correct such error, supply such omission or cure such defect, referring, by correct book and page, to such plat or subdivision and designating its name, if there is a name. Such certificate shall be dated and signed by such registered surveyor.
