573.10 APPORTIONMENT OF LIABILITY; CONTRIBUTION.

When the heirs, devisees, or legatees have received real or personal estate, and are liable by law for any debts, such liability shall be in proportion to the estate they have, respectively, received, and a creditor may recover the creditor's claim against a part or all of them to the amount of such liability. If, by the testator's will, any part of the testator's estate, or any devisees or legatees, are made exclusively liable for the debt, the devisees or legatees shall contribute among themselves accordingly.
