28A.04 LICENSE REQUIRED; CUSTOM PROCESSING PERMIT APPLICATIONS; RENEWALS.

Subdivision 1. **Application; date of issuance.** (a) Except as provided under section 28A.152, no person shall engage in the business of manufacturing, processing, selling, handling, or storing food without having first obtained from the commissioner a license for doing such business. Applications for such license shall be made to the commissioner in such manner and time as required and upon such forms as provided by the commissioner and shall contain the name and address of the applicant, address or description of each place of business, and the nature of the business to be conducted at each place, and such other pertinent information as the commissioner may require.

(b) An applicant for a license must submit a nonrefundable application fee of \$50 with each license application. The fee under this paragraph does not apply to annual license renewals. The fee under this paragraph is not required for applications to operate solely as a special event food stand or custom exempt food handler.

(c) A food handler license shall be issued for the period January 1 to December 31 and shall be renewed thereafter by the licensee on or before January 1 of each year, except that:

(1) retail and wholesale food handler licenses issued for the period of July 1, 2025, to June 30, 2026, must be renewed on or before July 1, 2026, for the period of July 1, 2026, to December 31, 2026. (2) licenses for all mobile food concession units and retail mobile units must be issued for the period April 1 to March 31, and must be renewed thereafter by the licensee on or before April 1 of each year. A license issued for a temporary food concession stand must have a license issuance and renewal date consistent with appropriate statutory provisions; and

The custom exempt food handler license is for businesses that only conduct custom exempt operations and mark all products as "Not For Sale." Food handlers that conduct retail exempt operations or other operations other than custom exempt processing or slaughter are not eligible for this license.

(f) On a quarterly basis during the licensing period, the commissioner must prorate the fee for an initial license issued under this chapter, except that a person applying for a new license up to 14 calendar days before the effective date of the new license period under paragraph (c) must be issued a license for the 14 days and the next license year as a single license and pay a single license fee as if the 14 days were part of the upcoming license period.

(3) the commissioner may authorize a food handler reporting \$50,000 or less gross annual food sales to conduct business activities under the food handler's license at up to two additional locations if:

28A.07 ISSUANCE OF LICENSE.

Prior to the issuance or renewal of any license herein, the commissioner may cause appropriate inspections to be made to determine under applicable statutory and promulgated rule requirements, the applicant's risk category and fitness to engage in the business activities described in that person's license application. A valid and properly displayed license shall be sufficient to allow the licensee to engage in the manner of food handling so described in the licensee's application, provided that the commissioner may withhold authorization to engage in any aspects of business for which the applicant is not deemed fit under this section. A licensee may, at any time, apply to change such application which shall then be considered by the commissioner in the same manner as a new or renewal application hereunder.

Retail food handlers inspected under the state meat inspection program of chapter 31A are exempt from delegation.

Subd. 2. **Approval of agreements.** An agreement to delegate licensing and inspection of retail food handlers to a community health board must be approved by the commissioner and is subject to subdivision 3.

Subd. 3. **Terms of agreements.** (a) Agreements authorized under this section must be in writing and signed by the delegating authority and the designated agent.

(b) The agreement must list criteria the delegating authority will use to determine if the designated agent's performance meets appropriate standards and is sufficient to replace performance by the delegating authority.

(c) The agreement may specify minimum staff requirements and qualifications, set procedures for the assessment of costs, and provide for termination procedures if the delegating authority determines that the designated agent has failed to comply with the agreement.

28A.0753 ENFORCEMENT OF LAWS BY COMMISSIONER.

Subdivision 1. **Actions commenced; forfeiture of license; annulment of corporate existence.** The commissioner is authorized, if upon investigation the commissioner is satisfied that the laws of the state, relative to any laws placed within the commissioner's jurisdiction, have been violated, to cause to be instituted,

in the commissioner's own name as commissioner or in the name of the state, actions in the proper court, to secure punishment of the guilty party; and, if the party complained against is a corporation, to secure the cancellation of its authority and the annulment of its corporate existence, if a domestic corporation; or, if a foreign corporation, the forfeiture of its license to do business in this state.

Subd. 2. Reports to prosecuting officers. If, after an investigation, it appears to the commissioner that the laws of this state have been violated in any respect, the commissioner shall present all available information bearing upon such apparent violation to the proper law enforcing or prosecuting officer of the state or of the United States.

Subd. 3. Food handlers who manufacture, process, or distribute; licensing, preemption by state. When a food handler described in section 28A.05, paragraph (a), clauses (2) and (3), is licensed by the commissioner of agriculture, the food handler is exempt from the licensing requirements of any municipal corporation or subdivision of state government, except for licensing requirements which may be imposed by the municipal corporation or subdivision of state government in which the food handler locates a plant. All delivery equipment used by such a food handler is included within the meaning of this section, whether owned or operated, independently contracted, or contracted with a common carrier approved by the commissioner of agriculture. This delivery equipment is exempt from licensing by any municipal corporation or subdivision of state government except for those requirements which may be imposed by the municipal corporation or subdivision of state government in which the equipment is principally located. Delivery equipment approved by the commissioner of agriculture shall carry, at all times, a certificate of approval for the purposes for which the equipment is utilized. Nothing in this section is intended to permit the enactment of an ordinance regulating an activity where the state has preempted the field.

The commissioner may waive this fee after determining that the facility's principal mode of business is not the sale of food and that the facility sells only prepackaged foods.

Subd. 5. **Appeals.** Food handlers may appeal reinspection fees and assessments to the department hearing officer within 30 days of receipt of the notice of fee assessment. The appeal must be submitted to the commissioner in writing.
