299M.01 DEFINITIONS.

Subdivision 1. **Scope.** For the purposes of this chapter, the following terms have the meanings given them in this section.

Subd. 2. **Apprentice sprinkler fitter.** "Apprentice sprinkler fitter" means a person, other than a fire protection contractor or journeyman sprinkler fitter, who is regularly engaged in learning the trade under the direct supervision of a licensed fire protection contractor or journeyman sprinkler fitter and is registered with a state or federal approval agency.

Subd. 3. **Commissioner.** "Commissioner" means the commissioner of public safety.

Subd. 4. **Council.** "Council" means the Minnesota Advisory Council on Fire Protection Systems.

Subd. 5. **Department.** "Department" means the Department of Public Safety.

Subd. 6. **Fire protection contractor.** "Fire protection contractor" means a person who contracts to sell, design, install, modify, alter, or inspect a fire protection system or its parts or related equipment.

Subd. 7. **Fire protection system.** "Fire protection system" means a sprinkler, standpipe, hose system, or other special hazard system for fire protection purposes only, that is composed of an integrated system of underground and overhead piping connected to a water source. "Fire protection system" does not include the water service piping to a city water main, or piping used for potable water purposes, or piping used for heating or cooling purposes. Openings from potable water piping for fire protection systems must be made by persons properly licensed under section 326B.46. Persons properly licensed under section 326B.46 may also sell, design, install, modify or inspect a standpipe, hose system only.

Subd. 8. **Journeyman sprinkler fitter.** "Journeyman sprinkler fitter" means a person who is certified as competent to engage in installing, connecting, altering, repairing, or adding to a fire protection system for and under the supervision of a fire protection contractor.

Subd. 8a. **Multipurpose potable water piping system contractor.** "Multipurpose potable water piping system contractor" means a person who contracts to sell, design, install, modify, or inspect a multipurpose potable water piping system, its parts, or related equipment.

Subd. 8b. **Multipurpose potable water piping system.** "Multipurpose potable water piping system" means a potable water piping system that is intended to serve both domestic and fire protection needs throughout a one- or two-family dwelling unit. No person may install a multipurpose potable water piping system unless that person is licensed pursuant to section 326B.46 and is certified pursuant to section 299M.03.

Subd. 8c. **Multipurpose potable water piping system installer.** "Multipurpose potable water piping system installer" means a person who is certified as competent to engage in installing, connecting, altering,

repairing, or adding to a residential multipurpose potable water piping system in a one- or two-family dwelling unit.

Subd. 9. **Municipality.** "Municipality" means a town or statutory or home rule charter city.

299M.03 LICENSE OR CERTIFICATE REQUIRED.

Subdivision 1. **Contractor license.** Except for residential installations by the owner of an occupied one- or two-family dwelling, a person may not sell, design, install, modify, or inspect a fire protection system, its parts, or related equipment, or offer to do so, unless annually licensed to perform these duties as a fire protection contractor. No license is required under this section for a person licensed as a professional engineer under section 326.03 who is competent in fire protection system design or a person licensed as an alarm and communication contractor under section 326B.34 for performing activities authorized by that license.

Subd. 1a. **Multipurpose potable water piping system contractor license.** Except for residential installations by the owner-occupant of a one- or two-family dwelling, a person may not sell, design, install, modify, or inspect a multipurpose potable water piping system, its parts, or related equipment, or offer to do so, unless annually licensed to perform these duties as a multipurpose potable water piping system contractor. No license is required under this section for a person licensed as a professional engineer under section 326.03 who is competent in fire protection system design.

Subd. 2. **Journeyman certificate.** Except for residential installations by the owner of an occupied one- or two-family dwelling, a person may not install, connect, alter, repair, or add to a fire protection system, under the supervision of a fire protection contractor, unless annually certified to perform those duties as a journeyman sprinkler fitter or as a registered apprentice sprinkler fitter. This subdivision does not apply to a person maintaining or repairing a fire protection system if the system is located in a facility regulated under the federal Mine Safety and Health Act of 1977, United States Code, title 30, section 801 et seq.

Subd. 3. **Multipurpose potable water piping system installer certificate.** Except for residential installations by the owner-occupant of a one- or two-family dwelling, a person may not install, connect, alter, repair, or add to a multipurpose potable water piping system, unless annually certified to perform these duties as a multipurpose potable water piping system installer. A multipurpose potable water piping system installer certificate only allows the certificate holder to work on one- and two-family residential units.

Subd. 4. **Certification fee; annual appropriation.** The state fire marshal shall charge \$55 to conduct and administer the journeyman sprinkler fitter certification process. Money received by the State Fire Marshal Division for the administration of this program must be deposited in the state treasury and credited to a state fire marshal dedicated account in the special revenue fund. All money in the state fire marshal account is annually appropriated to the commissioner of public safety to administer this program.

299M.04 RULES, FEES, ORDERS, PENALTIES.

The commissioner shall adopt permanent rules for operation of the council; regulation by municipalities; qualifications, examination, and licensing of fire protection contractors; licensing of multipurpose potable

water piping system contractors; certification of multipurpose potable water piping system installers; certification of journeyman sprinkler fitters; registration of apprentices; and the administration and enforcement of this chapter. Permit fees must be a percentage of the total cost of the fire protection work.

The commissioner may issue a cease and desist order to cease an activity considered an immediate risk to public health or public safety. The commissioner shall adopt permanent rules governing when an order may be issued; how long the order is effective; notice requirements; and other procedures and requirements necessary to implement, administer, and enforce the provisions of this chapter.

The commissioner, in place of or in addition to licensing sanctions allowed under this chapter, may impose a civil penalty not greater than \$1,000 for each violation of this chapter or rule adopted under this chapter, for each day of violation. The commissioner shall adopt permanent rules governing and establishing procedures for implementation, administration, and enforcement of this paragraph.

299M.06 REVOCATION, SUSPENSION, REFUSAL.

The commissioner may revoke, suspend, or refuse to issue or renew a license or certificate issued under this chapter. Any person aggrieved by the commissioner's action may request a hearing before the commissioner. The provisions of sections 14.57 to 14.69 apply to the hearing and to any subsequent proceedings.

History: 1992 c 508 s 6

299M.07 MUNICIPAL REGULATION.

A municipality by ordinance may require payment of permit fees for competent inspection of fire protection systems.

A municipality enacting an ordinance after July 1, 1992, shall notify the commissioner of public safety.

A municipality may not require licensing, certification, registration, bonding, or insurance that is in addition to the state requirements outlined under this chapter.

History: 1992 c 508 s 7

299M.08 MISDEMEANOR.

It is a misdemeanor for any person to intentionally commit or direct another person to commit either of the following acts:

(1) to make a false statement in a license application, request for inspection, certificate, or other form or statement authorized or required under this chapter; or

(2) to perform fire protection system work without a proper permit, when required, or without a license or certificate for that work.

History: 1992 c 508 s 8; 1998 c 367 art 11 s 15

299M.09 AUTHORITY TO CONTRACT.

The commissioner may contract for services with local units of government.

History: 1992 c 508 s 9

299M.10 MONEY CREDITED TO GENERAL FUND.

The fees and penalties collected under this chapter, except as provided in section 299M.07, must be deposited in the state treasury and credited to the general fund. Money received by the State Fire Marshal Division in the form of gifts, grants, reimbursements, or appropriation from any source for the administration of this chapter must also be deposited in the state treasury and credited to the general fund.

History: 1992 c 508 s 10

299M.11 FEES.

Subdivision 1. **Licensing fee.** A person required to be licensed under section 299M.03, subdivision 1 or 1a, shall, before receipt of the license and before causing fire protection-related work or multipurpose potable water piping system work to be performed, pay the commissioner an annual license fee.

Subd. 2. **Certification fee.** Employees required to be certified under section 299M.03, subdivision 2 or 3, shall, before performing fire protection-related work or multipurpose potable water piping system work, pay the commissioner an annual certification fee.

Subd. 3. **Registration fee.** Employees required to be registered under section 299M.03, subdivision 2, shall, before performing fire protection-related work, pay the commissioner an annual registration fee.

Subd. 4. **Surcharge fee.** Before beginning fire protection-related work, a fire protection contractor shall pay a project surcharge fee to the commissioner based on a percentage of the total costs of the fire protection-related work.

Subd. 5. **Deposit of fees.** Fees collected under this section must be deposited in the state treasury and credited to the general fund.
