[1951 c 428 s 1]

327.15 LICENSE FOR TRAILER COACH PARK. No person, firm or corporation shall establish, maintain, conduct or operate a trailer coach park within this state without first obtaining an annual license therefor from the state department of health. Such annual license shall be issued for the calendar year applied for and shall expire at midnight on December 31 of such year. Any trailer coach park located in more than one municipality shall be dealt with as two separate trailer coach parks.

[1951 c 428 s 2]

327.16 APPLICATION. Subdivision 1. **Made to state department of health.** The application for annual license to operate and maintain a trailer coach park shall be made to the state department of health, at such office and in such manner as may be prescribed by regulations of that department; provided that when such trailer coach park is located within a municipality having an organized department or division of health, the application shall be filed with the local department of health who shall forward same to the state department.

Subd. 2. **Contents.** The application for such annual license shall be in writing and upon such form as the state department of health may by regulation provide, and shall set forth:

(1) The full name and address of the applicant or applicants, or names and addresses of the partners if the applicant is a partnership, or the names and addresses of the officers if the applicant is a corporation, and present or last occupation of the applicant at the time of the filing of the application.

(2) A legal description of the site, lot, field, or tract of land upon which it is proposed to operate and maintain a trailer coach park.

such permit shall not be required of any trailer coach park which was established prior to the effective date of this act. Each year thereafter the license fee shall be \$3.50. All annual license fees paid to the department of health shall be turned over to the state department.

When the application is received by the state department of health it shall promptly cause the trailer coach park and appurtenances thereto to be inspected. When such inspection and report has been made and the state department of health finds that all requirements of sections 327.10, 327.11, 327.14 to 327.28, and such conditions of health and safety as the state department of health may require, have been met by the applicant, the state department of health shall forthwith issue such annual primary license in the name of the state.

Subd. 4. Sanitary facilities. During the pendency of the application for such annual primary license any change in the sanitary or safety facilities of the intended trailer coach park shall be immediately reported in writing to the state department of health through the office through which the application was made. Subd. 5. Permit. When the application has been approved, the state department of health shall issue a permit to the applicant to construct or make alterations pertaining to water and sewage disposal upon a trailer coach park and the appurtenances thereto according to the plans and specifications presented with the approved application.

No approval of plans and specifications and the issuance of a permit to construct or make alterations upon a trailer coach park and the appurtenances thereto by the state department of health shall be construed as having been approved for other than sanitation. Such a permit does not relieve the applicant from securing building permits in municipalities having a building code; or from complying with any other municipal ordinance or ordinances, applicable thereto, not in conflict with this statute.

Subd. 6. Denial of permit. If the application for a permit to construct or make alterations upon a trailer coach park and the appurtenances thereto or a primary license to operate and maintain the same is denied by the state board of health, it shall so state in writing giving the reason or reasons for denying the application. If the objections can be corrected the applicant may amend his application and re-submit it for approval, and if denied the applicant may appeal by writ of certiorari from the decision of the state board of health to the district court in the county in which said trailer coach park is located.

Provided, however, that the licensee of a trailer coach park shall not be required to collect or pay a monthly fee as herein provided, for any space occupied by a trailer coach accompanied by an automobile, if said trailer coach and automobile bear license plates issued by any state other than the State of Minnesota, for an accumulated period not to exceed 90 days in any 12-month period; provided further, that all occupants of said trailer coach with accompanying automobile are tourists or vacationists. When one or more persons occupying a trailer coach bearing a foreign license are employed within the State of Minnesota, there shall be no exemption from monthly fees.

Subd. 2. Distribution. The monthly fee of \$1.50 for each occupied trailer coach situated upon a licensed trailer coach park shall be paid by the licensee to the treasurer of the municipality, or county where there is no municipality, wherein such licensed trailer coach park is situated. Such monthly fee is hereby allocated and required to be paid by the municipal treasurer as follows:

For each \$1.50 monthly fee collected by the municipal treasurer, 75 cents shall be paid to the local public school district or school districts attended by any children from said trailer coach park, and if said children attend more than one local public school district then said 75 cents shall be prorated between said districts in direct

ratio to the number of children in attendance at each school district, and if there are no children attending any public school then said fee shall be paid to the school district wherein such licensed trailer coach park is located, 50 cents to be retained by the municipality and 25 cents to be paid to the county treasurer if there is county wide relief within the county, otherwise the 25 cents will be retained by the municipality. Said notice shall direct the licensee to remove or abate such nuisance, insanitary or objectionable condition, specified in such notice, within five days, or within such longer period of time or extended period of time, as may be reasonably allowed by the complaining official. If the licensee fails to comply with the terms and conditions of said notices, within the time specified or such extended period or periods of time, the complaining official shall require the licensee to appear for a hearing before the State Board of Health, and then if the licensee does not comply, the complaining official may require the county attorney of the county in which such violation occurred to start a civil action to remove or abate such nuisance, insanitary, unhealthful or objectionable condition as complained of, in the court of proper authority and jurisdiction, of the city or county, in the name of the State of Minnesota, and if found guilty, a decision may be entered by the court to revoke or suspend such license.

[1951 c 428 s 5]

Such regulations pertaining to health and safety shall have the force and effect of law, and any violation thereof shall constitute a misdemeanor; and upon conviction therefor the offender may be punished as otherwise provided by law.

[1951 c 428 s 7]

327.21 DUTIES OF STATE DEPARTMENT OF HEALTH. Subdivision 1. **Approval of application for permit.** When the state department of health has approved an application for a permit to construct or make alterations upon a trailer coach park or the appurtenances thereto or a license to operate and maintain the same it shall retain the original and keep a file thereof, one copy shall be returned to the applicant or his agent, one copy to the municipal board of health if the trailer coach park is located within the limits of a municipality having an organized board of health.

If any applicant for a trailer coach park license desires to operate such trailer coach park only during the months from May 1 to October 1, he shall pay only one-half the above mentioned annual license fee, but shall pay the full monthly fees hereinbefore required for each month of operation.
