[4946—]1. **Same—Graduates from certain schools**—Any student who has heretofore matriculated in the college of law of the state university shall be so admitted, upon graduation, without fee or examination, upon production of his diploma, within two years from the date thereof, and upon proof that he is an adult citizen and resident of the state, of good moral character. Upon the same terms and conditions any student who has heretofore matriculated in any college of law incorporated in this state or established by authority of its laws, and located therein, shall upon graduation be admitted to such practice, provided such college receives as students only those having the equivalent of a high school education, affords a three years' course of tuition under a corps of ten competent instructors, and operates under the written approval of the supreme court.
