340.01 LICENSES FOR SALE OF NON-INTOXICATING BEVERAGES.

There is hereby conferred upon the governing body of each county, city, village, and borough in the state, the authority to license and regulate the business of vendors at retail or wholesale of non-intoxicating malt liquors within their respective jurisdictions, to impose a license fee therefor and to provide for the punishment of any violation of any such regulations according to the provisions of law; provided, that no such business may be licensed by the county board to be located in any town, unless the consent of the governing body of such town, if organized, is filed with the application for such license. Before any town board shall give consent to the issuance of any license by the county board in their township, they shall have secured the written recommendation and the accompanying statement provided for in the following paragraph.

No license shall be issued or renewed by the county board after application has been made therefor until said county board shall have secured the written recommendation of the sheriff and of the county attorney. Said recommendation shall be accompanied by a statement attesting that to the best of their knowledge the applicant has not, within a period of five years prior to the date of such application, violated any law relating to the sale of non-intoxicating malt liquor or of intoxicating liquor and that in their judgment the applicant will comply with the laws and regulations relating to the conduct of said business in the event said license is issued or renewed. Before issuing or renewing any license, the county board shall consider the recommendation of the sheriff and the county attorney, the character and reputation of the applicant, the nature of the business to be conducted and the type of premises and propriety of the location of said business.

Persons holding licenses issued by the county board shall not permit any minor to loiter or remain in the room where non-intoxicating malt liquor is being sold or served unless accompanied by his parent or legal guardian. In such cities, such licenses shall be issued only to proprietors of drug stores, general food stores and exclusive liquor stores. In all other cities, villages and boroughs the number of "Off sale" licenses to be issued therein shall be determined by the local governing body. Subd. 15. No license for the sale of intoxicating liquor shall be issued by any newly incorporated village, until the expiration of two years from the date of incorporation.

Subd. 16. No municipality shall engage in the sale of intoxicating liquors to the exclusion of private interests without first purchasing the stock, equipment and other tangible personal property of such private liquor establishments and reimbursing the private owner or owners for the property thereby divested or rendered unproductive therein by the act of such municipality in the creation of said municipal liquor store; provided, that this subdivision shall not alter the act of any municipality in the past nor shall the same be retroactive as to property rights heretofore divested or rendered unproductive by any act of any municipality in the creation of a municipal liquor store prior to the passage of Laws 1945, Chapter 417. In the event that no agreement can be reached between said interested parties as to the value of the stock, equipment, and tangible personal property affected by said act of such municipality or other governing body, then, and in that event, the same shall be submitted to arbitration in accordance with the provisions of Minnesota Statutes 1941, Chapter 572.

Subdivision 1. **Licenses.** No intoxicating liquor or ethyl alcohol shall be shipped into this state by any distiller, rectifier, winer, or wholesale distributor, or any other person, to any licensed Minnesota manufacturer or wholesale dealer unless and until such distiller, rectifier, winer, wholesale distributor, or such other person has secured a license from the liquor control commissioner permitting him so to do.

The fee for each annual license shall be \$50.00, which shall accompany the application for license.

Subd. 3. **Licenses revoked for cause.** Licenses may be revoked by the liquor control commissioner for cause. 340.12 APPLICATION FOR LICENSE. Every person desiring a license from the liquor control commissioner, shall file with him a verified written application in the form to be prescribed by the commissioner. All applicants for manufacturer's and wholesaler's licenses to sell intoxicating liquor shall file with the liquor control commissioner a bond with corporate surety, to be approved by the liquor control commissioner, before granting such license, or, in lieu thereof, cash or United States Government bonds in the sum of \$10,000, according to the character of the license, made payable to the State of Minnesota. All applicants for a license to sell intoxicating liquors on any railroad train or other common carrier, shall file with the liquor control commissioner a bond with corporate surety to be approved by the liquor control commissioner before granting such license, or, in lieu thereof, cash or United States Government bonds in the sum of \$1,000. All manufacturers and wholesalers of wines containing not more than 25 per cent of alcohol by weight and manufacturers and wholesalers of beer containing more than 3.2 per cent of alcohol by weight, shall file with the liquor control commissioner, a bond with corporate surety to be approved by the liquor control commissioner before granting such license, or, in lieu thereof, cash or United States Government bonds in the sum of \$5,000.

Every person desiring a license from a local governing body shall file with the clerk of the municipality a verified written application in the form to be prescribed by the commissioner, with such additional information as the local governing body

shall require. An applicant for an "Off Sale" license shall file with the clerk of the proper municipality a bond with corporate surety, or a liability insurance policy or, in lieu thereof, cash or United States Government bonds in a sum, not less than \$1,000 and not more than \$3,000 as the local governing body of such municipality shall determine, which bond or policy shall be approved by such local governing body and the liquor control commissioner.

An applicant for an "On Sale" license shall file with the clerk of the proper municipality a bond with corporate surety, or a liability insurance policy or, in lieu thereof, cash or United States Government bonds in a sum, not less than \$3,000, nor more than \$5,000, as the local governing body of such municipality shall determine, which bond shall be approved by such local governing body."

In any municipality, when the local governing body thereof shall so provide, a liability insurance policy may be filed in lieu of the bond or cash security, referred to above. Such liability insurance policy shall be in the amount of \$10,000 coverage for one person and \$20,000 coverage for more than one person, and shall specifically provide for the payment by the insurance company on behalf of the insured of all sums which the insured shall become obligated to pay by reason of liability imposed upon him by law for injuries or damage to persons, other than employees, including the liability imposed upon the insured by reason of Minnesota Statutes 1941, Section 340.95. Such liability insurance policy shall further provide that no cancelation of the same for any cause, can be made either by the insured or the insurance company without first giving ten days' notice to the municipality in writing of intention to cancel the same, addressed to the city clerk of the municipality. The operation of such "Off sale" or "On sale" business without having on file at all times with the municipality the liability insurance policy herein referred to shall be grounds for immediate revocation of the license. No payment of any claim by the insurance company shall, in any manner, decrease the coverage provided for in respect to any other claim or claims brought against the insured or company thereafter. It shall not be necessary when the local governing body of any municipality provides for the filing of such liability insurance policy instead of the bond or cash deposit herein referred to, that such policy include as conditions therein the conditions required in bonds for such dealers and set out in (a), (b), (c), and (d) hereinafter.

Bonds of manufacturers, wholesalers and common carriers shall run to the State of Minnesota, of "On sale" and "Off sale" retail dealers shall run to the municipality in which the license is issued. All such bonds shall be conditioned as follows:

As to manufacturers, wholesalers and common carriers:

- (a) That the licensee will obey the law relating to such licensed business;
- (b) That the licensee shall pay to the state when due all taxes, license fees, penalties and other charges payable by him under this act, or any other law relating to the manufacture, distribution or sale of intoxicating liquor;
- (c) That in the event of any violation of the provisions of law, such bond shall be forfeited to the State of Minnesota as hereinafter provided.

As to "Off sale" and "On sale" dealers:

- (a) That the licensee will obey the law relating to such licensed business;
- (b) That the licensee will pay to the municipality when due all taxes, license fees, penalties and other charges provided by law;
- (c) That in the event of any violation of the provisions of any law relating to the retail "Off sale" and retail "On sale" of intoxicating liquor, such bond or policy shall be forfeited to the municipality in which such license was issued;
- (d) That the licensee, will pay to the extent of the principal amount of such bond or policy, and damages for death or injury caused by or resulting from the violation of any provisions of law relating thereto, and in such cases recovery under this subdivision "(d)" may be had from the surety on this bond or policy. The amount specified in such bond or policy is declared to be a penalty, the amount recoverable to be measured by the actual damages; provided, however, that in no case shall such surety be liable for any amount in excess of the penal amount of the bond or policy.

All such bonds or policies shall be for the benefit of the obligee and all persons suffering damages by reason of the breach of the conditions thereof. In the event of the forfeiture of any such bond or policy for violation of law, the district court of the county wherein such licensed business was carried on may forfeit the penal

340.13 REVOCATION OF LICENSES. Subdivision 1. Any license issued under the provisions of sections 340.07 to 340.40 may be revoked by the authority issuing such license for violation of any provision thereof. "Off sale" licenses may be revoked by the governing body of the municipality or by the liquor control commissioner after hearing. No manufacturer or wholesaler shall either directly or indirectly own or control or have any financial interest in any retail business selling intoxicating liquor, but this restriction shall not be construed to deny such person the right to use or have his property rented for such purposes in any case where the manufacturer or wholesaler was a bona fide owner of the premises prior to November 1, 1933. No manufacturer or wholesaler shall exact or require, by contract, understanding, or otherwise, any licensed retailer to handle or sell only the products of any particular manufacturer or wholesaler. No license shall be granted to any person who opens a new drug store after the passage of sections 340.07 to 340.40 until such person shall have operated such store continuously for a period of two years, or shall have purchased a drug store that shall have been in continuous operation for two years. All licenses issued for any one municipality, except manufacturer's and wholesaler's licenses, shall expire at the same time. No more than one retailer's license shall be directly or indirectly issued to any one person or for any one place, in each municipality. No retailer's "on sale" or retailer's "off sale" license shall be directly or indirectly issued with respect to any place in any municipality maintaining an exclusive liquor store nor to any person or for any place for which a license of another class has been granted. No "on sale" or "off sale" license shall be effective beyond the compact and contiguous space named therein for which the same was granted, except that an "on sale" license granted for sales in the dining room of any hotel in cities of the first and second class and villages of over 10,000 may permit sales of liquor with meals in additional dining rooms open to the public and specified in the license where meals are regularly served to guests therein. No license shall be issued for premises located within the areas restricted against commercial use through zoning ordinances or other proceedings or legal processes regularly had for that purpose, except that licenses may be issued for sale in restaurants in premises which have been restricted against commercial uses since the establishment of such restaurants therein; and no license shall be issued contrary to the provisions of any charter, ordinance, or any special law restricting areas within which intoxicating liquor may be sold. No license shall be issued for premises or places in which the sale or use thereof has been prohibited by sections 340.72 to 340.90. No license shall be issued to any person in connection with the premises to another to whom no license could be issued under the provisions of sections 340.07 to 340.40, except as otherwise provided therein; provided, that this provision shall not prevent the granting of a license to a proper lessee by reason of the fact that he shall lease premises of a minor, non-citizen, or a person who has been convicted of a crime other than a violation of sections 340.07 to 340.40. No more than one license shall be issued to any person in any municipality except as specifically provided in sections 340.07 to 340.40. No "off sale" license shall be issued for any place where non-intoxicating malt beverages shall be sold for consumption on the premises, except that in cities of the fourth class and villages where the applicant for such "off sale" license shall also have for such place a legally issued "on sale" intoxicating liquor license.

Subd. 2. A license shall be non-transferable without the consent of the authority issuing it, and shall be posted in a conspicuous place in the premises for which it is issued. No license shall be effective until a permit shall be issued to the licensee under the laws of the United States, if such a permit be required under such laws. No license shall be issued to other than a citizen of the United States over 21 years of age who shall be of good moral character and repute, nor to any person who shall be hereafter convicted of any wilful violation of any law of the United States or the State of Minnesota or of any local ordinance with regard to the manufacture, sale, distribution, or possession for sale or distribution of intoxicating liquor, nor to any person whose license under sections 340.07 to 340.40 shall be revoked for any wilful violation of any such laws or ordinances.

Subd. 3. The legislature expressly reserves the right to limit or diminish the number of licenses, to limit the profits of any authorized manufacturer, wholesaler, or retailer as a condition to granting or continuing a license, and to regulate, limit, or prohibit the issuance or sale of capital stock in any licensee as a condition to granting a license.

[*Ex. 1934 c. 46 s. 7; 1935 c. 306; 1943 c. 501 s. 3*] (3200-27)

340.14 REGULATIONS. Subdivision 1. **Hours of sale.** No sale of intoxicating liquor shall be made on Sunday, nor before three o'clock p. m. on any Memorial Day, nor before eight o'clock p. m. on any Election Day, in the district in which such election shall be held. No "on sale" shall be made before eight o'clock a. m. or after 12 o'clock midnight of any day. In cities of the first and second class only, "on sale" may be permitted until two hours after 12 o'clock midnight on Saturday and until one hour after 12 o'clock midnight on Monday, Tuesday, Wednesday, Thursday, and Friday. No "off sale" shall be made before eight o'clock a. m. or after eight o'clock p. m. of any day except Saturday, on which day "off sale" may be made until ten o'clock p. m. No "off sale" shall be made on New Year's Day, January 1; Memorial Day, May 30; Independence Day, July 4; Thanksgiving Day; or Christmas Day, December 25; but on the evenings preceding such days, if the sale of liquor is not otherwise prohibited on such evenings, "off sales" may be made until ten o'clock p. m., except that no "off sale" shall be made on December 24 after eight o'clock p. m. No "on sale" place of business shall be permitted to have swinging doors or opaque windows. All sales shall be made in full view of the public. No intoxicating liquor shall be sold or furnished for any purpose to any person under the age of 21 years or to an habitual drunkard or to any person obviously intoxicated or to any of the persons to whom sale is prohibited by statute or by reason of sale to whom a penalty is provided by statute.

Subd. 2. **Places where not to be sold.** No intoxicating liquors shall be sold within the capitol or upon the grounds thereof, or upon the state fair grounds, or in any place where such sales shall be prohibited by law or by the ordinance of any city, village, or borough. Every licensee shall be responsible for the conduct of his place of business and for conditions of sobriety and order therein. No licensee shall keep, possess, or operate, or permit the keeping, possession, or operation of, on the licensed premises, or in any room adjoining the licensed premises, any slot machine, dice, or any gambling device or apparatus, nor permit any gambling therein, nor permit the licensed premises or any room in the same, or in any adjoining building, directly or indirectly under its control, to be used as a resort for prostitutes or other disorderly persons. No person under 21 years of age shall be employed in any rooms constituting the place in which intoxicating liquors are sold at retail "on sale." No pool table or billiard table shall be kept or used in any "on sale" premises except a club.

The retail sale for beverage purposes of ethyl alcohol or neutral spirits, or substitutes therefor, possessing the taste, aroma, and characteristics generally attributed to ethyl alcohol or neutral spirits, as such, is hereby prohibited. Nothing in this paragraph shall be construed to prohibit the manufacture or sale of other products obtained by the use of ethyl alcohol or neutral spirits as defined in the Standards of Identity for distilled Spirits, Article Two (2), Regulations number five (5), Federal Alcohol Administration.

Subd. 3. **Limitation on the consumption or display of intoxicating liquors.** It is unlawful for any person to consume or display intoxicating liquors in any place where the public is permitted to frequent, between the hours of 12 o'clock midnight and 8 a. m., unless such place has a license to sell intoxicating liquors. It is unlawful for any proprietor of any public place of business, other than a holder of an intoxicating liquor license, to permit the consumption or displaying of intoxicating liquors upon such premises between the hours of 12 o'clock midnight and 8 a. m., or in any manner to serve or permit the serving of liquids for the purpose of mixing with intoxicating liquors between such hours, and the serving of any such liquids for the purpose of mixing with intoxicating liquors is prima facie evidence that intoxicating liquor is being permitted to be consumed or displayed contrary to the provisions of this subdivision. Subd. 5. Retailer or retail dealer. "Retailer" or "retail dealer" means any person who shall sell, barter, exchange, offer for sale, have in possession with intent to sell, deal or traffic in intoxicating malt liquor in quantities of less than five standard gallons to the same person at one time.

[1943 c. 460 s. 1]

340.402 LICENSES; FEES. No person shall engage in business as a brewer or wholesaler of intoxicating malt liquor nor shall any person, directly or indirectly, by any device, manufacture for sale or sell at wholesale any intoxicating malt liquor unless licensed to do so by the commissioner.

Application for license shall be made in writing, filed with the commissioner in the form prescribed by him and verified by the applicant or, if a corporation, by one of its officers having knowledge of the facts. At the time of filing an application the applicant shall file with the commissioner his bond and pay the license fee herein provided for.

The annual fees for license are: for a brewer, the sum of \$500; for a wholesaler, the sum of \$125.

A brewer holding a license to manufacture intoxicating malt liquor may sell his products at wholesale without another license.

[1943 c. 460 s. 2]

340.403 BOND AND LICENSE. Subdivision 1. **Filing and approval of bond.** Every applicant for a license under the provisions of sections 340.401 to 340.407 shall, at the time of filing his application, file with the commissioner a bond running to the State of Minnesota, with corporate surety, to be approved by the commissioner before granting such license. The bond of a brewer shall be in the sum of \$5,000 and of a wholesaler in the sum of \$1,000. Any applicant may, in lieu of such bond, make a deposit with the commissioner of cash or United States government bonds in the same amount as that hereinbefore required for bond of such applicant.

Subd. 2. **Conditions of bond.** All bonds or deposits shall be conditioned (1) that the licensee shall obey the law relating to such licensed business; (2) that the licensee shall pay to the state, when due, all taxes, license fees, penalties, and other charges payable by him under any law relating to the manufacture, distribution, or sale of intoxicating malt liquor; (3) that, in the event of any violation of the provisions of any law of this state relating to the manufacture, distribution, or sale of intoxicating malt liquor, such bond shall be forfeited to the State of Minnesota.

Subd. 3. **License granted.** Upon the filing of an application, the approval of the bond, and the payment of the license fee, the commissioner shall grant the license unless it shall appear that the applicant: (1) is not a citizen of the United States; or (2) is not over 21 years of age; or (3) has been convicted of a felony under the laws of this state; or (4) has had his license revoked within a period of one year prior to the filing of his application. In the event the applicant is a corporation its managing officers must possess the qualifications herein stated.

Subd. 4. **Period of license.** All licenses shall be issued for a period of one year. No person now holding a license for the manufacture or sale at wholesale of intoxicating malt liquor shall be required to obtain a license under the provisions of sections 340.401 to 340.407 until the expiration of the period for which such existing license was issued but such licensee shall be subject to all other provisions thereof.

[1943 c. 460 s. 3]

340.404 SUSPENSION OR REVOCATION OF LICENSES. Subdivision 1. **To remain in effect.** Any license issued under the provisions of sections 340.401 to 340.407 and any license heretofore issued for the manufacture or sale at wholesale of intoxicating malt liquor shall remain in effect during the period for which such license was issued unless surrendered by the licensee or suspended or revoked by the commissioner in the manner provided therein.

Subd. 2. **Authority to suspend or revoke.** The commissioner is hereby authorized, after notice to the licensee and an opportunity to be heard, upon proof of wilful violation by the licensee of any provisions of sections 340.401 to 340.407 or of any prior or subsequent violation of any law of this state relating to the manufacture or sale at wholesale of intoxicating malt liquor, to suspend for a period not exceeding 60 days or to revoke such license whether issued under the provisions thereof or issued prior to the passage thereof.

Subd. 3. **Investigation; complaint; notice; hearing.** It shall be the duty of the commissioner, upon receiving information of violation by any licensee of any provisions of sections 340.401 to 340.407 or of any prior or subsequent violation of any law of this state relating to the manufacture or sale at wholesale of intoxicating malt liquor, to make an immediate investigation thereof. If, after such investigation, the commissioner shall determine that there is probable cause to believe that the licensee has willfully violated the provisions of any law of this state relating to the manufacture or sale at wholesale of intoxicating malt liquor and that the violation is of such a nature as to warrant suspension or revocation of license, he shall make and file a complaint, in writing, which shall state the facts constituting the alleged violation of the law. A copy of the complaint, together with a notice of hearing thereon, shall be served upon the licensee in the manner provided by statute for the service of a summons in a civil action. The notice shall state the time of hearing which shall be not less than 20 days after the service of the notice. All hearings shall be open to the public and held at the office of the commissioner. For the purpose of conducting these hearings the commissioner is hereby authorized to subpoena witnesses and administer oaths.

Subd. 4. **Findings of fact; order.** After any hearing the commissioner shall make and file findings of fact as to each violation of law alleged in the complaint and

his order dismissing the proceedings or suspending or revoking the license. The findings of fact and order of the commissioner shall be served upon the licensee in the manner provided by statute for the service of a summons in a civil action. If the order suspends or revokes the license, such suspension or revocation shall take effect and be in force and the right of the licensee to operate thereunder shall terminate ten days after the service of the order of the commissioner, except in the event of a stay on appeal as hereinafter provided.

Subd. 5. **Suspension.** When, in any proceedings under this section, the commissioner shall find that the licensee has violated any provision of any laws of this state relating to the manufacture or wholesale of intoxicating malt liquor but that the nature of such violation or the circumstances thereof are such that a suspension of the license would be adequate, he may, instead of revoking the license, suspend it for a period not exceeding 60 days. During the period of suspension the licensee shall exercise no rights under the license.

Subd. 6. **Appeal to district court.** Any licensee whose license is suspended or revoked by the commissioner may appeal from the order of suspension or revocation to the district court of the county in which the licensee maintains his principal place of business, which appeal shall be taken by service of written notice thereof upon the commissioner within ten days after service upon the licensee of the order of suspension or revocation appealed from and by filing with the clerk of the district court, within ten days after service, the notice of appeal with proof of service thereof upon the commissioner. The perfecting of an appeal operates to stay all proceedings until the final determination thereof. In the notice of appeal and in the proceedings upon appeal the commissioner shall be named as plaintiff and the licensee as defendant. Upon the appeal being perfected, the commissioner shall forthwith certify to the court the complete record in the proceedings and the court shall thereupon fix a time and place for hearing, due notice of which shall be given to the parties. Upon the appeal to the district court the hearing shall be de novo to the court without a jury and conducted in the manner provided by statute for the trial of a civil action. The court shall make its findings of fact and its order either dismissing the proceedings or suspending the license for a period not exceeding 60 days or revoking the license.

Subd. 7. **Appeal to supreme court.** Either party may appeal from the final judgment of the district court, or from any final order therein, in the same manner as in a civil action, within ten days after service of notice of the filing of such judgment or final order. No bond on appeal shall be required. The perfecting of an appeal to the supreme court operates to stay all proceedings until the final determination of the appeal. The commissioner shall not refuse to issue a license to any licensee during the time that an appeal from an order of suspension or revocation of license is pending.

Subd. 8. **License after revocation.** When any license has been revoked no license shall be issued to such person within one year from the date of such order of revocation or, in the event of an appeal, within one year from the date of the judgment or final order of the court affirming such order of revocation.

[1943 c. 460 s. 4]

340.405 BREWERS OR WHOLESALERS NOT TO BE RETAILERS. No brewer or wholesaler shall, either directly or indirectly, own or control, or have any financial interest in, any retail business selling intoxicating malt liquor; but this restriction shall not be construed to deny such person the right to use or have his property rented for such purpose in any case where the brewer or wholesaler was a bona fide owner of the premises prior to November 1, 1933. No brewer or wholesaler shall, directly or indirectly, or through a subsidiary or affiliate corporation, or by any officer, director, stockholder, or partner thereof, give, lend, or advance any money, credit, or other thing of value to any retailer or to any person for the benefit or relief of any retailer, nor furnish, give, lend, lease, or sell to any person any furniture, fixtures, fittings, or equipment; nor shall any brewer or wholesaler, directly or indirectly, have any interest in, or pay for, any retail license, or advance, furnish, lend, or give money for the payment of retail license fees or any expense incident to the obtaining of such license; nor shall any brewer or wholesaler become bound in any manner, directly or indirectly, for the repayment of any loan made to, or the fulfillment of any financial obligation of, any retailer, except that brewers or wholesalers may: (1) extend to retailers the usual and customary commercial credits for products of the industry actually sold and delivered; (2) furnish to retailers

the containers of consumable products of the industry actually sold and delivered and may recover the same, or the value thereof, if such containers are not returned; (3) furnish, lend, or rent outside signs to retailers, provided the cost of such signs, in the aggregate, furnished, lent or rented by any brewer or wholesaler to any retailer, including signs authorized by section 340.02, shall not exceed \$100, exclusive of erection, installation and repair charges; but nothing herein shall be construed as affecting signs owned and located in the state on the effective date hereof by any such brewer or wholesaler; (4) furnish inside signs, miscellaneous advertising matter and other items not to exceed, in the aggregate, including similiar items authorized by section 340.02, a cost of \$25.00 in any calendar year to any one retailer; (5) furnish or maintain for retailers such equipment as is designed and intended to preserve and maintain the sanitary dispensing of intoxicating malt liquors, provided the expense incurred thereby does not exceed the sum of \$25.00 per tap per calendar year, no part of which shall be paid in cash to any retailer; (6) acquire within ten days after the effective date hereof any furniture, fixtures, fittings, and equipment, or any valid lien thereon or interest therein, which were actually installed on the premises of any retailer prior to the effective date hereof; (7) lease or lend to the owner of the premises, or to any retailer now or hereafter occupying the premises, any furniture, fixtures, fittings, and equipment actually located on the premises on the effective date hereof. Any such brewer or wholesaler who, within ten days after the effective date hereof, owns any furniture, fixtures, fittings, or equipment in possession of any retailer on the effective date hereof may, within 90 days after said effective date, sell the same to such retailer only for cash on delivery and deliver a bill of sale to the same.

[1943 c. 460 s. 5]

340.406 EXCLUSIVE CONTRACTS FORBIDDEN. No brewer or wholesaler shall hereafter, directly or indirectly, or through a subsidiary, or affiliate corporation, or by any officer, director, stockholder, or partner, enter into any agreement, oral or written, whether or not incorporated in any chattel mortgage, conditional sales contract, bill of sale, lease, land contract, mortgage, deed, or other instrument, wherein and whereby any retailer is required to purchase the intoxicating malt liquor of any brewer to the exclusion, in whole or in part, of the products of other brewers.

[1943 c. 460 s. 6]

340.407 VIOLATORS; VIOLATIONS. Any retailer who is a party to any violation of section 340.405 or section 340.406, or who received the benefits thereof, is equally guilty of a violation of the provisions thereof and subject to the penalty herein provided.

Any person who violates the provisions of sections 340.401 to 340.407 is guilty of a gross misdemeanor and each violation constitutes a separate offense.

[1943 c. 460 ss. 7, 8]

In villages and cities of the fourth class situated in any county containing a city of the first class and having a population of more than 450,000, the sale of food, cigars, cigarettes, all forms of tobacco, non-intoxicating malt beverages and soft drinks in any exclusive liquor store having an "on sale" license, may be permitted by the governing body of such municipality.

Subd. 2. On fermented malt beverages. An excise tax is hereby assessed, imposed, and levied upon the sale, either directly or indirectly of fermented malt beverages other than for shipment in interstate or foreign commerce. Such tax shall not be imposed or collected upon fermented malt beverages given away by a brewery for consumption only upon the brewery premises, for which no charge of any kind is made or collected; nor shall fermented malt liquors distributed to brewery employees for consumption only upon the brewery premises pursuant to a contract of employment be subject to such tax. The stamps herein provided for shall be prepared and printed by the state treasurer in such form and denominations as the commissioner may require and shall be issued by such state treasurer to the commissioner upon requisition by him from time to time. The commissioner shall make report to the state auditor at least once each month of the number and amount of stamps sold by him, and shall upon depositing receipts from the sale of such stamps with the state treasurer file a duplicate of such report with the treasurer. All expenses of the state treasurer in complying with the provisions of sections 340.44 to 340.56 shall be paid as other expenses of the commissioner are paid.

Subd. 2. Purchase of Stamps. Such excise tax shall be paid by the purchase of stamps from the commissioner, who shall designate the design and denominations thereof. The commissioner shall, by regulation, prescribe the manner in which these stamps shall be affixed and cancelled. Such stamps shall be cancelled by the person making the first sale of such fermented malt beverages within the state. No retailer shall sell or remove any fermented malt beverages from any barrel, keg, case, or other container, unless the same shall have affixed thereto duly cancelled stamps of proper denomination. Every manufacturer, wholesaler, brewer, or retailer shall be liable for the payment of the tax provided in sections 340.44 to 340.56 on sales made for resale or consumption within this state, and shall be required to affix stamps of the proper amount on every barrel, keg, case, or other container containing fermented malt beverages imported from without the state, sold or delivered to any purchaser or consumer within this state, unless such stamps shall have been previously affixed and canceled. It shall not be necessary to affix stamps to individual bottles of fermented malt liquor, but no bottle containing the same shall be removed from containers for sale or consumption unless the original container in which the same was packed shall have affixed thereto stamps of proper denominations. Such stamps shall be affixed by the manufacturer, wholesaler, brewer, or other person, to each barrel, keg, case, or other container of such fermented malt liquor before any sale, except that as to wines containing less than 25 per cent of alcohol by weight such stamps may be affixed at any time prior to sale to the consumer.

[*Ex. 1934 c. 58 s. 5*] (3200-63)

340.50 EXCEPTIONS. Sales by a manufacturer, wholesaler, or brewer for shipment outside the state in interstate commerce shall not be subject to the payment of the tax, nor shall sales to any regularly appointed and ordained rabbi, priest, minister, or pastor of any church or established religious organization, of wine for sacramental purposes subject to the payment of such tax.

[*Ex. 1934 c. 58 s. 6; 1937 c. 240 s. 1*] (3200-64)

In all prosecutions for keeping an unlicensed drinking place, the finding of intoxicating liquor on the premises, or of any bar, bar fixtures, or other things apparently used for or in connection with the sale of intoxicating liquor, or any sign or advertisement indicating the sale of liquor on such premises, or a receipt for the United States tax for the sale of spirituous, vinous, malt or fermented liquor posted therein, and covering the time alleged in the complaint or indictment, or proof of the payment of such tax for such period, shall, except in case of a licensed pharmacist engaged at such place in the business of druggist or pharmacist, be prima facie evidence that such place is a public drinking place. In any prosecution under this chapter, it shall not be necessary to prove the want of license, but such license shall be a matter of defense.
