TITLE 1.

GOVERNMENT OF UNIVERSITY.

Organized and regulated by ch. 28, Territorial Revised Statutes. Reorganized by acts 1860, ch. 80, which repealed ch. 28, R. S., except §§ 7, 13. Acts 1864, ch. 18, amended § 4, acts 1860, ch. 80, providing for new regents and government, and suspended §§ 2, 3, 7, 10, 11, 12, 13, 15, of that act. Acts 1866, ch. 11, amended acts 1864, ch. 18, by extending the term of regents, increasing the power to sell university lands, and authorizing regents to borrow in anticipation of proceeds of lands. Acts 1868, ch. 1, reorganized the university and superseded prior laws.

G. S. 1866, ch. 35, title 1, provided for agricultural college. Repealed by Special Laws 1868, ch. 114. Acts 1868, ch. 1, provided for agricultural college as one of the departments of university. Acts 1889, ch. 267, § 3, legalized certain conveyances to Minneapolis Union Railway Company.

SEC. 3535. **Object of.**—The object of the university of Minnesota, established by the constitution, at or near the Falls of Saint Anthony, shall be to provide the means of acquiring a thorough knowledge of the various branches of literature, science and the arts, and such branches of learning as are related to agriculture and the mechanic arts, including military tactics, and other scientific and classical studies.

1868, ch. 1, § 1: "An act to reorganize and provide for the government and regulation of the university of Minnesota, and to establish an agricultural college therein." Approved February 18, 1868.

SEC. 3536. **Departments in.**—There shall be established in the university of Minnesota, five or more colleges or departments, that is to say, a department of elementary instruction, a college of science, literature and the arts, a college of agriculture, including military tactics, a college of the mechanic arts, a college or department of law, and also a college or department of medicine. The department of elementary instruction may be dispensed with, at such rate and in such wise as may seem just and proper to the board of regents.

1868, ch. 1, § 2, as amended 1872, ch. 10, § 1. Approved February 29, 1872.

SEC. 3537. **Endowments.**—Any person or persons contributing a sum of not less than fifteen thousand dollars shall have the privilege of endowing a professorship in the university, the name and object of which shall be designated by the board of regents.

1868, ch. 1, § 10.

MINNESOTA STATUTES 1891

SECS. 3538-3541.] UNIVERSITY OF MINNESOTA — GOVERNMENT OF.

BOARD OF REGENTS.

SEC. 3538. Constituted — Term — Vacancies.— The government of the university shall be vested in a board of twelve regents, of which the governor of the state, the state superintendent of public instruction, and the president of the university, shall be members ex officio, and the nine remaining members thereof shall be appointed by the governor by and with the advice and consent of the senate. Whenever a vacancy therein occurs for any cause the same shall be filled for the unexpired term in the same manner. After the expiration of the term of the members of the present board of regents, their successors shall be appointed in like manner and shall hold their office for the full term of six years from the first Wednesday of March succeeding their appointment, and until their successors are appointed and qualified. The president of the university shall be ex officio the corresponding secretary of the board of regents.

1868, ch. 1, § 3, as amended 1872, ch. 10, § 2; 1889, ch. 266. Amendment of 1889 increased number of regents from ten to twelve, and term of office from three to six years.

SEC. 3539. A body corporate.— The regents of the university shall constitute a body corporate under the name and style of "University of Minnesota;" and by that name may sue and be sued, contract and be contracted with, make and use a common seal, and alter the same at pleasure.

Quorum.— A majority of * voting members shall constitute a quorum for the transaction of business, and a less number may adjourn from time to time.

1868, ch. 1, § 4, as amended 1872, ch. 10, § 3. Amendment struck out at * "their number" and inserted "voting members."

SEC. 3540. Officers of the board.— The board of regents shall elect from the members of the board, a president of the board. They shall also elect a recording secretary and a treasurer who may or may not be members of the board. All of said officers shall hold their respective offices during the pleasure of the board, and the president and treasurer each shall, before entering upon the duties of his office, execute a bond in the penal sum of fifty thousand (50,000) dollars, with at least two (2) sufficient sureties to the state of Minnesota, to be approved by the governor, conditioned for the faithful and honest performance of the duties of his office according to law, which bonds when so approved shall be filed in the office of the secretary of state.

1868, ch. 1, § 5, as amended 1872, ch. 10, § 4; 1881, Ex. S. ch. 46; 1889, ch. 266. Amendment 1872 inserted the word "recording" before the word "secretary." Amendment of 1881 provided that the treasurer may or may not be a member of the board. Amendment 1889 made the same provision as to recording secretary.

SEC. 3541. Duties of president.— The president of the university shall be the president of the general faculty, and of the special faculties of the several departments or colleges, and the executive head of the institution in all its departments. As such officer, he shall have authority, subject to the board of regents, to [give] general direction to the practical affairs and scientific investigations of the university, and, in the recess of the board of regents, to remove any employe or subordinate officer not a member of the faculty, and supply, for the time being, any vacancies thus created. He shall perform the customary duties of a corresponding secretary, and may be charged with the duties of one of the professorships. He shall make to the superintendent of public instruction, on or before the second Tuesday in December in each and every year, a report, showing in detail the progress and condition of the university during the previous university year, the number of professors and students in the several departments, and such other matters relating to the proper educational work of the institution as he shall deem useful. It shall also be the duty of the president of the university to make to the board of regents, on or before the second Tuesday in December in each and every year, a report, showing in detail the progress and condition of the university during the pre-

vious university year, the nature and results of all important experiments and investigations, and such other matters, including economical and industrial facts and statistics, as he shall deem useful.

1868, ch. 1, § 14, as amended 1872, ch. 10, § 7.

SEC. 3542. Meetings of board.—The first meeting of the board of regents, under the provisions of this act, shall be holden at the university building, on the first Wednesday of March, 1868, at which meeting the officers of the board shall be elected; and the annual meetings of the board shall be holden on the second Tuesday of December in each and every year thereafter. Special meetings of the board shall be called and holden at such times and in such manner as the board of regents shall determine.

1868, ch. 1, § 9.

SEC. 3543. Powers of board.—The board of regents shall have power, and it shall be their duty, to enact by-laws for the government of the university of Minnesota in all its departments, to elect a president of the university; and, in their discretion, a vice-president, and the requisite number of professors, instructors, officers and employes, and to fix their salaries; also the term of office of each; and to determine the moral and educational qualifications of applicants for admission; and in the department of professors, instructors and other officers and assistants of the university, and in prescribing the studies and exercises thereof, and in all the management and government thereof, no partiality or preference shall be shown to one sect or religious denomination over another, nor shall anything sectarian be taught therein; and the board of regents shall have power to regulate the course of instruction, and prescribe the books and authorities to be used; and also to confer such degrees and grant such diplomas as are usual in universities, in their discretion. It shall be the duty of the recording secretary to record all the proceedings of the board, and carefully preserve all its books and papers, and, before entering upon the duties of his office, he shall take and subscribe an oath to perform his duties honestly and faithfully as such officer. It shall be the duty of the treasurer to keep an exact and faithful account of all moneys, bills receivable and evidences of indebtedness, and all securities and property, received or paid out by him, and, before entering upon his duties, he shall take and subscribe an oath that he will well and faithfully perform the duties of treasurer thereof. It shall be the duty of the president to preside at the meetings of the board; and in case of his inability to preside, the board may appoint a president *pro tempore*.

1868, ch. 1, § 6, as amended 1872, ch. 10, § 5. Amendment inserted "and in their discretion a vice-president" after word "university" in first sentence, and the word "recording" before word "secretary."

SEC. 3544. Control of books and property.—The said board of regents shall succeed to and have the control of the books, records, buildings, and all other property of the university; and the present board of regents shall be dissolved immediately upon the organization of the board herein provided for: *provided*, that all contracts made and at that time binding upon the board then dissolved, shall be assumed and discharged by their successors in office.

1868, ch. 1, § 11. See secs. 3368a and 3368b, *ante*.

SEC. 3545. Professorship of Scandinavian language.—There is hereby established a professorship of Scandinavian language and literature in the state university, with the same salary as is paid in said university to other professors of the same grade.

It shall be the duty of the board of regents of the state university, as soon as practicable after the passage of this act, to appoint to said professorship some person learned in the Scandinavian language and literature, and at the same time skilled [in] and capable of teaching the dead languages, so called.

1883, ch. 140, § 1: "An act to establish a new professorship in the state university." Approved March 2, 1883.

MINNESOTA STATUTES 1891

SECS. 3546-3550.] UNIVERSITY OF MINNESOTA — GOVERNMENT OF.

SEC. 3546. Report of board.— On or before the second Tuesday of December in each and every year, the board of regents, through their president, shall make a report to the governor, showing in detail the progress and condition of the university during the previous university year — the wants of the institution in all its various departments — the nature, costs and results of all improvements, experiments and investigations — the number of professors and students — the amounts of money received and disbursed — and such other matter, including industrial and economical statistics, as they may deem important or useful. One copy of the said report shall be transmitted to each of the other colleges which shall be endowed under the provisions of said act of the congress, and one copy to the secretary of the interior.

1868, ch. 1, § 13, as amended 1872, ch. 10, § 6.

SEC. 3547. Fund from sale of agricultural college lands.— In addition to all the rights, immunities, franchises and endowments heretofore granted or conferred to or upon the university of Minnesota for the endowment, support and maintenance thereof, there shall be and is hereby inviolably appropriated and placed at the disposal of the board of regents thereof, to be drawn from the state treasury upon the order of the president, drawn upon the state auditor, countersigned by the secretary of the board, and payable to the order of the treasurer of the board, all the interest and income of the fund to be derived from the sales of all the lands granted and to be granted to the state of Minnesota, by virtue of an act of congress, entitled, "An act donating lands to the several states and territories which may provide colleges for the benefit of agriculture and the mechanic arts," approved July 2d, A. D. 1862; and also all such gifts, grants and contributions to the endowment thereof as may be derived from any and all sources.

1868, ch. 1, § 7. Substantially § 15, ch. 37, G. S., repealed by Special Laws 1868, ch. 114.

SEC. 3548. Appropriation.— There is hereby annually appropriated to the university of Minnesota, from any money in the state treasury not otherwise appropriated, belonging to the fund for the support of state institutions, the sum of thirty-one thousand dollars; nineteen thousand dollars thereof to be used to aid in the support of said university; and twelve thousand dollars to be applied to the reimbursement of the permanent university fund for moneys heretofore used for the support of said university, arising from the sales of stumpage on university lands. All moneys hereby appropriated shall be drawn upon orders of the board of regents of the university, and the state auditor is hereby authorized to draw warrants on the state treasury on the presentation of such orders.

1874, ch. 124: "An act to appropriate money to the university of Minnesota." Approved March 5, 1874.

SEC. 3549. Appropriation.— That the sum of fifty thousand dollars, or so much thereof as may be necessary, be and the same is hereby appropriated, in addition to the income of the permanent university fund, from the general revenue fund for the support of the state university for the fiscal year ending July thirty-one, one thousand eight hundred and eighty-one, and annually thereafter.

1887, ch. 247: "An act to appropriate money in addition to the income of the permanent university fund for the support of the state university." Approved March 8, 1887.

SEC. 3550. Copies of laws and decisions.— The secretary of state shall deliver to the university of Minnesota one hundred (100) copies of each volume of the general and special laws of this state, and of the reports of the decisions of the supreme court, hereafter published, for use in the way of exchanges, and otherwise, in the establishment and maintenance of a law library for the law department of said university.

1889, ch. 241, § 1: "An act to provide the university of the state of Minnesota with the general and special laws and the reports of the decisions of the supreme court, for library purposes." Approved April 3, 1889.

MINNESOTA STATUTES 1891

UNIVERSITY OF MINNESOTA — EXPERIMENT STATION. [SECS. 3551-3556.

SEC. 3551. **Same — Purchase.**— The secretary of state is hereby authorized and directed to procure, for the purpose aforesaid, from the publishers of the supreme court reports, one hundred (100) copies of each volume thereof hereafter published, in addition to the number authorized for other purposes, to be paid for at the same price and in the same manner as such reports delivered to the secretary for other purposes.

1889, ch. 241, § 2. Section 3 of this act provided for delivery of ten copies *heretofore* published.

TITLE 2.

AGRICULTURAL EXPERIMENT STATION.

Acts 1868, ch. 1, § 12, authorized the board of regents to provide experimental farm. Acts 1878, ch. 82, authorized the purchase of one hundred and sixteen acres near Lake Minnetonka, in Hennepin county, and the establishment thereon of experimental farm of agricultural department of university. Repealed by 1889, ch. 52. Acts 1891, ch. 101, as amended 1893, ch. 13, authorized the sale of this farm, and proceeds to be used in purchase of other lands, construction of buildings and improvements and payment of old indebtedness. Acts 1889, ch. 265, authorized sale of lots 2 and 3, section 28, township 117, range 23, being part of experimental farm.

SEC. 3552. **Established.**— It shall be the duty of the board of regents of the university of Minnesota, as soon as practicable after the passage of this act, to establish at said university an agricultural experiment station for the purpose of promoting agriculture in its various branches by scientific investigation and experiment, which station shall be under the control and supervision of the said board of regents.

1885, ch. 209: "An act establishing an agricultural experiment station," approved March 7, 1885, as amended 1889, ch. 264, by striking out "and of which the professor of agriculture shall be general superintendent," at end of said section.

SEC. 3553. **At Owatonna.**— That an experimental station be and hereby is established on the state school farm at Owatonna in this state for the purpose of producing new and valuable varieties of fruit trees, thoroughly testing promising varieties we now have, and securing reliable reports in regard to fruit, forest and ornamental trees best adapted to the state.

1887, ch. 160, § 1: "An act to establish an experimental fruit, forest and ornamental tree station." Approved March 2, 1887.

SEC. 3554. **Supervision of board of regents.**— That said station shall be under the general supervision of the board of regents of the state university, who shall with the advice of the president and secretary of the state horticultural society, appoint a superintendent, who shall report to the board of regents as they may direct, and who shall report to the state horticultural society in person at each annual winter meeting thereof.

1887, ch. 160, § 2.

SEC. 3555. **Products.**— That all products of said station shall be the exclusive property of the state and all surplus shall be disposed of as the board of regents may direct.

1887, ch. 160, § 3.

SEC. 3556. **Appropriation.**— That said board of regents is hereby authorized to set apart and appropriate from any fund at their disposal, for such purposes, such sum as they may deem advisable, not exceeding one thousand (1000) dollars per annum for the total expenses of said station.

1887, ch. 160, § 4. Acts 1868, ch. 1, § 12, appropriated amount specified in acts of congress.

MINNESOTA STATUTES 1891

SECS. 3557-3561.] UNIVERSITY OF MINNESOTA — GEOLOGICAL, ETC., SURVEY.

SEC. 3557. Acceptance of grants from U. S.— That the state of Minnesota does hereby assent to the grants of money authorized by an act of the congress of the United States, entitled "An act to establish agricultural experiment stations in connection with the colleges established in the several states," under the provisions of an act approved July second; one thousand eight hundred and sixty-two, and of the acts supplementary thereto.

1889, ch. 58: "An act to accept grants of moneys authorized by act of congress to establish agricultural experiment stations, approved July 2, 1862, and March 2, 1887." Approved February 4, 1889. Acts 1868 ch. 1, § 12, appropriated amount named in act of congress, 1862, July 2.

TITLE 3.

GEOLOGICAL AND NATURAL-HISTORY SURVEY.

Acts 1865, ch. 39, provided for geological survey of north shore of Lake Superior and other mineral districts. Acts 1866, ch. 52, continued this survey. Acts 1873, ch. 30, supersedes all prior laws on this subject.

SEC. 3558. Geological and natural-history survey.— It shall be the duty of the board of regents of the university of Minnesota to cause to be begun, as soon as may be practicable, and to carry on, a thorough geological and natural-history survey of the state.

1872, ch. 30, § 1: "An act to provide for a geological and natural-history survey of the state and entrust the same to the university of Minnesota." Approved March 1, 1872. Acts 1873, ch. 133, § 5, appropriated \$500 for purchase of apparatus and chemicals for use in such survey.

SEC. 3559. Method of geological survey.— The geological survey shall be carried on with a view to a complete account of the mineral kingdom as represented in the state, including the number, order, dip and magnitude of the several geological strata, their richness in ores, corals, clays, peats, salines and mineral waters, marls, cements, building stones, and other useful materials, the value of said substances for economical purposes, and their accessibility; also an accurate chemical analysis of the various rocks, soils, ores, clays, peats, marls, and other mineral substances, of which complete and exact records shall be made.

1872, ch. 30, § 2.

SEC. 3560. Method of natural-history survey.— The natural-history survey shall include, *first*, an examination of the vegetable productions of the state, embracing all trees, shrubs, herbs and grasses, native or naturalized in the state; *second*, a complete and scientific account of the animal kingdom as properly represented in the state, including all mammalia, fishes, reptiles, birds and insects.

1872, ch. 30, § 3.

SEC. 3561. Order of survey—Preference to students.— The said surveys and examinations shall be made in the manner and order following: *First*, the geological survey proper, together with the necessary and implied mineralogical investigations, all of which shall be undertaken so soon as may be practicable, and be carried forward with such expedition as may be consistent with economy and thoroughness; *second*, the botanical examinations; *third*, zoological investigations: *provided*, however, that whenever the said board of regents may find it most economical to prosecute different portions of the surveys in conjunction, or that the public interest demands it, they may, in their discretion, depart from the above-prescribed order. And in the employment of assistants in the said surveys, the said board of regents shall at all times give the preference to the students and graduates of the university of Minnesota, provided the same be well qualified for the duties.

1872, ch. 30, § 4.

MINNESOTA STATUTES 1891

UNIVERSITY OF MINNESOTA — GEOLOGICAL, ETC., SURVEY. [SECS. 3562–3568.]

SEC. 3562. Investigate for salt-springs.—It shall be the duty of the said board of regents, as soon as practicable, to cause a full and scientific investigation and report on the salt-springs of the state, with a view to the early development of such brine deposits as may exist within the state.

1873, ch. 133, § 2: "An act to aid the geological and natural-history survey of the state and amend ch. 30, acts 1872, authorizing such survey." Approved March 10, 1873. Part of this act in title 4, ch. 38, *post*.

SEC. 3563. Investigate for peat deposits.—The board of regents of the university of Minnesota shall cause the immediate survey and investigation of the peat deposits of the state of Minnesota, accompanied by such tests and chemical examinations as may be necessary to show their economical value, and their usefulness for the purposes of common fuel, a full report thereon to be presented to the legislature as soon as practicable.

1873, ch. 133, § 3.

SEC. 3564. Statistics — Elevations — Map.—The said board of regents shall also cause to be collected and tabulated such meteorological statistics as may be needed to account for the varieties of climate in the different parts of the state; also to cause to be ascertained, [by] barometrical observation or other appropriate means, the relation, elevations and depressions of the different parts of the state; and also, on or before the completion of the said surveys, to cause to be compiled, from such actual surveys and measurements as may be necessary, an accurate map of the state, which map, when approved by the governor, shall be the official map of the state.

1872, ch. 30, § 5.

SEC. 3565. Geological map.—The said board of regents shall cause a geological map of the state to be made, as soon as may be practicable, upon which, by colors and other appropriate means and devices, the various geological formations shall be represented.

1872, ch. 30, § 7.

SEC. 3566. Specimens for university.—It shall be the duty of the said board of regents to cause proper specimens, skilfully prepared, secured and labelled, of all rocks, soils, ores, coals, fossils, cements, building stones, plants, woods, skins and skeletons of animals, birds, insects and fishes, and other mineral, vegetable and animal substances and organisms, discovered or examined in the course of said surveys, to be preserved for public inspection, free of cost, in the university of Minnesota, in rooms convenient of access and properly warmed, lighted, ventilated and furnished, and in charge of a proper scientific curator; and they shall also, whenever the same may be practicable, cause duplicates, in reasonable numbers and quantities, of the above-named specimens, to be collected and preserved for the purpose of exchanges with other state universities and scientific institutions, of which latter the Smithsonian Institute at Washington shall have the preference.

1872, ch. 30, § 6.

SEC. 3567. Same — For normal schools.—It shall be the duty of the board of regents of the university of Minnesota to cause duplicate geological specimens to be collected, and to furnish to each of the three normal schools, suites of such specimens, after the university collection has become complete.

1873, ch. 133, § 6.

SEC. 3568. Tests for minerals.—It shall be the duty of the state geologist to make practical and actual tests by drilling or digging or other excavations in the earth such as he shall deem best suited to accomplish the purpose of this bill, for the discovery of any of the hidden mineral resources of the state, such as iron, copper, silver, gold, coal, gas, coal oil, common salt or

any other valuable material that he may deem likely to exist in any of the rock strata of this state.

1887, ch. 226, § 1: "An act to extend the work of the geological and natural-history survey of the state." Approved March 8, 1887.

SEC. 3569. **Same.—How conducted.**—The investigations provided for in this act shall not be conducted in the interest of any mining company or corporation.

1887, ch. 226, § 4. This section appropriated \$5,000 for 1887 and \$5,000 for 1888 to defray expenses of test.

SEC. 3570. **Same—Locality for tests.**—In determining the localities at which such testing and exploring shall be done, he shall be guided by such geological facts as he may possess or obtain which may indicate the existence of any of the substances of which it is the purpose of this act to discover. He shall also be guided by the proportionate amount of money that the owner or owners of the land on which such explorations may be proposed shall contribute to pay the cost of such exploration.

1887, ch. 226, § 2.

SEC. 3571. **Report of discoveries.**—It shall be the duty of the state geologist to report at once to the board of regents all discoveries either of economic or scientific interest to the state that may be made by such testing and exploration; such report shall be published by the board of regents in the same manner as now provided for the publication of the annual reports of the geological and natural-history survey of the state, and shall be paid for out of the same sum.

Immediate publication.—Provided, that any important mineral discoveries or other scientific contributions to the geological and natural-history survey that the said state geologist may deem necessary for immediate publication shall not be suppressed until the regular report of the board of regents, but shall be issued from time to time under the direction of said state geologist.

1887, ch. 226, § 3.

SEC. 3572. **Annual appropriation for surveys.**—The sum of two thousand dollars is hereby appropriated annually (in lieu of one thousand dollars) for the purposes of the geological and natural-history survey, until such time as the proceeds of the sales of the salt lands shall equal that amount, when such annual appropriation shall cease.

1873, ch. 133, § 4. This supersedes § 9, ch. 30, acts 1872, which appropriated \$1,000.

REPORTS OF GEOLOGICAL SURVEY.

SEC. 3573. **Annually.**—It shall be the duty of the said board of regents, through their president, to make, on or before the second Tuesday in December in each and every year, a report showing the progress of the said surveys, accompanied by such maps, drawings, and specifications as may be necessary and proper to exemplify the same, to the governor, who shall lay the same before the legislature; and the said board of regents, upon the completion of any separate portion of the said surveys, to cause to be prepared a memoir or final report, which shall embody in a convenient manner all useful and important information accumulated in the course of the investigation of the particular department or portion, which report or memoir shall likewise be communicated through the governor to the legislature.

1872, ch. 30, § 8.

SEC. 3574. **Publication by commission.**—The governor, the secretary of state and the state geologist are hereby created a commission for the print-

ing and the publication of the reports of the regents of the university on the geological and natural-history survey of the state.

1885, ch. 228, § 1: "An act relating to the publication of the report of the geological and natural-history survey of the state." Approved March 7, 1885.

SEC. 3575. No compensation for commission.—The commissioners hereby appointed shall perform the duties herein designated without further compensation than the payment of the actual expenses incurred in the discharge thereof.

1885, ch. 228, § 6.

SEC. 3576. Supervision.—It shall be their duty to supervise the printing of the final reports of said survey and the engraving of the accompanying maps and illustrations in such style and manner as they shall determine and judge best calculated to exhibit to the people of the state the natural resources of the state as required by the law creating the geological and natural-history survey.

1885, ch. 228, § 2.

SEC. 3577. Republication.—They shall cause to be republished in the same manner the third, fourth and fifth reports of progress of said survey at as early a date as practicable in an edition of two thousand copies.

1885, ch. 228, § 3.

SEC. 3578. Expenses of printing.—The expense of printing, engraving, binding and distribution of said reports shall be paid out of any moneys, not otherwise appropriated, in the state treasury, on warrants of the state auditor approved by the governor and secretary of state.
