**448.05 PARK BOARDS IN CERTAIN CITIES.** The council of any city of the fourth class may, by a majority vote, create a park board for the city, to be composed of three members, to be chosen by the council for terms of one, two, and three years, respectively, all of whom shall be freeholders and residents of the city, and who shall serve without compensation. The park board shall be authorized and empowered, for and on behalf of and in the name of the city, to acquire by gift, purchase, devise, condemnation, or lease, the land to be held and used for park purposes, or purposes of a golf course, and shall provide for the improvement thereof as specified in section 448.04. The park board shall have general supervision, management, and control of the park or golf course and may appoint a suitable person to care for and take charge of the same and prescribe his duties and fix his compensation therefor. In any city of the fourth class having a popula-

tion according to the 1930 federal census in excess of 5,000, which city is located within a county containing not less than 18,000, and not more than 19,000, inhabitants according to the 1930 federal census and having an assessed valuation for the year 1935 in excess of \$5,000,000 and less than \$6,000,000 exclusive of money and credits the council may by a majority vote create a park board for the city to be composed of five members to be chosen by the council for terms of one, two, three, four, and five years, respectively, all of whom shall be freeholders and residents of the city, and who shall serve without compensation, and the board shall have the authority and power specified in this section.

**448.06 ANNUAL APPROPRIATION.** For the purposes of carrying out the provisions of sections 448.04 to 448.07 the council of any city of the fourth class may appropriate annually, out of any of the revenues of the city received from taxes, saloon or other licenses and fines, a sum of money not exceeding ten per cent of these revenues, the money so received to be disbursed for the purposes mentioned in section 448.04, in such manner and subject to such rules and regulations as the council or the park board shall direct.

**448.09 CITIES OF THE SECOND OR THIRD CLASS MAY ACQUIRE LANDS FOR PARKS AND PARKWAYS.** Any city of the second or third class may receive as a gift or donation, in whole or in part, and acquire through its board of park commissioners lands within its corporate limits, and thereafter hold, control, lay out, alter, improve, operate, and maintain these lands for public parks and parkways. This control, improvement, and maintenance shall cover all park lands heretofore acquired by the city.

[1903 c 293 s 1; 1949 c 277 s 1]

**448.10 CONDEMNATION PROCEEDINGS.** For the purpose of making and perfecting the condemnation of lands lying within the corporate limits of the city for public use for parks and parkways, the board of park commissioners of the city shall proceed in the following manner.

When they deem it to be for the public interest that any tract or parcel of land within the corporate limits of the city should be taken, appropriated, or condemned for the use of the city as a park or parkway and so determine by resolution duly passed, the board shall cause the same to be surveyed and platted by duplicate plats, one of the duplicate plats to be filed in the office of the city engineer of the city.

The board of park commissioners shall thereupon appoint a board of three appraisers, who shall be disinterested freeholders and qualified voters of the city, in which the lands so to be taken and condemned are situated, to view the premises and appraise the damages which may be occasioned by the taking, appropriation, and condemnation of the property in question, and the appraisers shall be notified as soon as practicable by the secretary of the board of park commissioners to attend, at a time to be fixed by him, for the purpose of qualifying and entering upon their duties. They shall thereupon be sworn to discharge their duties as appraisers in the matter with impartiality and fidelity and to make due return of their acts as such to the board of park commissioners.

They shall, with all reasonable speed, give notice by publication in the official newspaper of the city, once a week for two consecutive weeks, the last of which publications shall be at least ten days before the day of such meeting, which notice shall contain a general description of the lands designated for appropriation by the board of park commissioners, including a separate and distinct description of each and every lot or parcel of land proposed to be taken, together with the owners' names, where known, and that a plat of the same has been filed in the office of the city engineer, and that the appraisers will meet, at a place and time designated, and thence proceed to view the premises and to appraise the damages for the property so to be taken, appropriated, and condemned. At the time named in this notice the appraisers shall meet and view the premises and may hear any evidence adduced or offered by the parties interested, and adjourn, from time to time, for

the purpose aforesaid, and when their view and hearing shall be concluded, they shall determine and appraise the amount of damages to be paid the owner of each piece or parcel of property proposed to be taken, appropriated, or condemned, and having ascertained and appraised the damages they shall make and file with the secretary of the board of park commissioners a written report to the board detailing their action in the premises, embracing a schedule, and the appraisal of the damages in each case, with a description of the land and the names of the owners, if known to them, and also a statement of the cost of the proceedings.

[1903 c. 293 s. 2]

**448.11 NOTICE OF FILING OF REPORT OF APPRAISERS.** Upon the filing of this report with the secretary of the board of park commissioners, the secretary shall thereupon give notice, by a publication, of the filing of the appraiser's report, in the official newspaper of the city, once a week for two successive weeks, the last publication of which shall be at least ten days before the meeting of the board of park commissioners mentioned in the notice, and that the report of the appraisers will be considered by the board of park commissioners at a meeting thereof named in the notice, and any person interested shall, before the time specified for the meeting in the notice, notify the board of park commissioners, in writing, of any objections which he may have in the premises, and the board of park commissioners, upon the day fixed for the consideration of the report of the appraisers, or at any subsequent meeting to which the same may stand over, or be referred, shall have the power, in their discretion, to confirm, revise, or annul the appraisal, in whole or in part, giving due consideration to any objections interposed by the parties interested. The board of park commissioners shall have no power to reduce the amount of any of the appraisements but, in case the appraisal is annulled, in whole or in part, the board may thereupon appoint new appraisers, who shall proceed in like manner as in the case of the first appraisal, as to any land in which the former appraisal was annulled.

[1903 c. 293 s. 3]

**448.12 CONFIRMING APPRAISEMENT; APPEAL.** When the board of park commissioners shall have finally confirmed the appraisal, in whole or in part, the award shall thereupon stand as a charge against the city, payable out of its park fund, and shall be paid, or deposited and set aside in the treasury of the city to and for the use of the parties entitled thereto within six months after the confirmation of the appraisal and report, except that in case any appeal shall be taken from the order of confirmation, then the amount of the damages shall not in any case be required to be paid or deposited and set aside until 60 days shall have expired after the determination of the appeal so taken, as provided in section 448.13.

[1903 c. 293 s. 4]

**448.13 WHEN APPEAL TO BE TAKEN.** Any person whose property is proposed to be taken, appropriated, and condemned under the provisions of sections 448.09 to 448.16, who deems there is any irregularity in the proceedings of the board of park commissioners or in the acts of the appraisers in the premises, by reason of which the award of the appraisers ought not to be confirmed, or who is dissatisfied with the amount of the damages awarded to him, may, at any time before the time specified for the consideration of the award by the board of park commissioners, file with the secretary of the board, in writing, his objections to such confirmation, setting forth therein, specifically, the particular irregularities complained of, containing a description of the property in which he is interested which would be affected by the proceedings and his interest therein; and if, notwithstanding such objections, the board shall confirm the award, any person so objecting shall have the right to appeal from the order of confirmation to the district court in and for the judicial district in which the city may be located. This appeal must be taken within ten days after the date of the confirmation, by filing with the secretary of the board of park commissioners a notice thereof, in writing, and it shall thereupon be the duty of the secretary to make out and transmit, within ten days next following, to the clerk of the district court a copy of the award of the appraisers, as confirmed by the board of park commissioners, and of the order of the board confirming the same, and of the objections filed by the appellant. The case may thereupon be brought on for hearing upon eight days' notice at any general or special term and

shall have precedence of all other civil cases and the judgment of the court shall be to either affirm or annul the proceedings so far as they affect the property of the appellant described in the written objections.

[1903 c. 293 s. 5]

**448.14 JURY TRIAL; VERDICT FINAL, EXCEPTIONS.** In case the amount of damages awarded is complained of by appellant, if the proceedings shall be confirmed in other respects, the party appealing shall have the right to a jury trial upon the proofs and evidence pertaining to the question of the amount of the damages which may be adduced by either of the parties to the appeal. The verdict of the jury upon the question of damages shall be final unless set aside by the court for good cause shown and the amount of the verdict shall thereupon become a charge against the city to be paid in the same manner as the award and appraisal of the appraisers appointed by the board of park commissioners would have been paid had no appeal been taken. Costs and disbursements shall be taxed and allowed to the appellant if the verdict is for more than the amount appealed from, and to the respondent, if for less, and to neither of them if of the same amount as appealed from.

[1903 c. 293 s. 6]

**448.15 FILING OF CERTIFIED LIST OF LANDS ACQUIRED, AWARDS, AND PLATS.** As soon as the proceedings for acquiring the title to any of these tracts, pieces, or parcels of land have been completed pursuant to the terms of sections 448.09 to 448.16, it shall be the duty of the board of park commissioners to make or cause to be made an accurate description of all the lands so acquired, with a statement of the amount of damages awarded and paid therefor, and it shall be certified by the president and secretary of the board under the official seal of the board and, together with one of the plats, shall be filed for record in the office of the register of deeds of the county in which the land so taken may be situated and after this record shall have been accomplished the same shall be filed in the office of the secretary of the board of park commissioners as a part of the permanent records of the board, and the other plat shall be filed with the city engineer of the city and become a part of the permanent records of his office.

**448.16 ANNUAL ESTIMATES; LIMITATION OF EXPENDITURES; TAX LEVY; CITY PARK FUND.** The board of park commissioners shall, on or before the first day of September each year, transmit to the recorder of the city an estimate in writing of the amount of money necessary for the payment of interest on bonds issued by the board and also of the amount of money that will be required for the improvement, maintenance, and government of these parks and parkways during the succeeding year; and the city recorder shall certify the same to the auditor of the county. No more than \$5,000 shall be expended in any one year for the improvement, maintenance, and government of these parks, unless authority therefor be first obtained by the board of park commissioners from the council. The county auditor shall proceed to determine what per cent on the taxable property of the city the sum, thus certified by the city recorder, is and extend the same on the next general tax list in a separate column, and the same shall be collected in the same manner as other city taxes, and all the provisions of law in respect to the collection of state and county taxes, and proceedings to enforce the same, shall apply to this assessment and taxes. The money collected from these taxes and proceeds from all park bonds issued, together with all other moneys provided or received for the benefit of sections 448.09 to 448.16, shall be placed by the treasurer of the city to the credit of the board of park commissioners and drawn from the city treasury by warrant, signed by the president and secretary of the board and in no other way, and constitute a fund to be known and established as the city park fund.
